Republicans Install New Officers

The Republican Party Installation Dinner was held on Saturday, March 24th at the Antioch Country Club. Representative William Murphy presided as Master of Ceremonies at the affair and many politicians were present. Among the politicians were Rep. Donald Deuster and his wife, Senator Karl Berning, State's Attorney Jack Hoogasian, Lake County Sheriff Pat Clavey, Adeline Geo-Karis, Louise and Red Murrie, to mention just a few.

Besides the Installation of the new officers the two parties that are running for Village Elections and Township Candidates were also introduced.

Following a lovely steak dinner the some 200 guests danced to the music of the Scotchmen.

Newly installed officers of the Antioch Republican Club smile happily at the Installation Dinner held on Saturday night, March 24th at the Antioch Country Club. Standing (l to r) Elroy Anderson, 2nd Vice President, Sam Carrubba, Sgt. at Arms, Bruce McKoy, Secretary, Representative W.J. Murphy, installing officer, Vern (Barney) Barnstable, 1st Vice President, and Raymond Schrieber, President. (Staff Photo)

Polley Approved as Superintendant

On Wednesday, March 21st, at the regular High School Board meeting, Warren Polley was approved of as the "official" Superintendent of the High School. He has been the "acting" Superintendent since last September.

Mrs. Fern Tate's resignation was accepted by the Boarch. She will be retiring at the end of the semester after 13 years of service in the school's Language department. Mrs. Tate has taught both Latin and English and is Chairman of the Foreign Language Department.

Dr. Bucar was chosen as the official board representative to the Special Education Department of Lake County (SEDOL) and Glen Moore was appointed as an alternate representative. The Board voted to approve SEDOL as a legal entity and Dr. Bucar will so vote at the next SEDOL meeting.

It was announced that the \$150,000 in tax anticipation

warrants, which were previously approved, will be issued in April in the Education Fund.

The Board accepted the low bid of the Forest Atwood Company, who will supply the school with 2,670 reams of duplication and mimeograph paper at a cost of \$2,489.50.

Also approved were the one and five year vocational plans. They state what vocational courses will be offered next year and what the estimated enrollment will be. The school must also project what the needs will be in the next five years.

The vocational courses fall under two main categories of Industrial Arts and Business Education. Eleven teachers are now involved in the program. The school is presently trying to erase the narrow classroom aspect of the classes and to replace it with a wider scope of interest that will play a big part in the everyday life of the students.

Notice

Antioch Township Elections will be held on April 3, 1973. The Polls will be open from 6 A.M. to 6 P.M.

ALL REGISTERED VOTERS - BOTH IN THE VILLAGE AND IN THE TOWNSHIP OF ANTIOCH - ARE ELIGIBLE TO VOTE IN THE TOWNSHIP ELECTION ON APRIL 3rd.

Precinct 1 - Village Hall
Precinct 2 - Scout Home
Precinct 3 - Lotus School
Precinct 4 - Grass Lake School
Precinct 5 - Channel Lake School
Precinct 6 - Emmons School

CHANGES IN ASSESSED VALUATION see page 17

MURRIE PLANS FOR BOG REMOVAL

Last Friday, March 16, Supervisor Lloyd E. Murrie, Antioch Township, requested assistance from the Public Service Committee of the Lake County Board to remove the floating bogs along the north side of the Grass Lake Road bridge that have blocked a significant portion of the Fox River since early last Fall. Supervisor Murrie, who is also Chairman of the committee, is pleased to report that the committee was concerned about the Channel obstruction and authorized the Lake County Highway Department to take the necessary measures to clear the river. This work should be done within the next two weeks, weather permitting.

Robert O. Krieger, Jr. to be ordained to the Christian Ministry

Robert O. Krieger, Jr., Coordinating Chaplain with the Lake County Chaplaincy Service, will be ordained to the Christian Ministry by the Evangelical Free Church of America, Great Lake District Conferment, at the Antioch Evangelical Free Church at 3:00 p.m., Sunday April 1.

Rev. Krieger has been with the Lake County Chaplaincy Service on a part time basis while attending Garrett Theological Seminary and on a full time basis since the spring of 1970. His work includes providing a Pastoral ministry to the four Lake County Institutions - Lake County TB Sanitorium and Hospital, Lake County Youth Home, Lake County Jail, and the Lake County Nursing Home. In addition to this he has worked with the Meals - on - Wheels program and is supervisor of the Hospital Practicum which introduces Divinity Students and Pastors to hospital visitation and ministry.

Mr. Krieger has taken additional work in the field of Clinical Pastoral Education and will be working as a Chaplain at a Veterans Hospital along with his activities with the Chaplaincy Service. He and his wife, Beverly, and daughter Pamela, live in Waukegan.

Participating in the Ordination Service will be Pastor Bernard Fosmark of the Antioch church, who will lead the service and give the charge to the Candidate, Mr. Robert O. Krieger, Sr. (Bob's father) and Rev. Curt Foss who will provide

THOMAS E. SMITH TO TESTIFY BEFORE UNITED STATES SENATE SUB-COMMITTEE

DR. THOMAS SMITH

Dr. Thomas E. Smith, Director of the Antioch Institute, and President of the Antioch Humanistic Society, Inc., has been given a special invitation to testify before the United States Senate Sub-Committee on the Education of the Handicapped. Special hearings on screening procedures for early identification of children with learning problems are scheduled for Friday, March 23, 1973, and Dr. Smith is one of four or five professionals from across the country who will report.

During the past two years, Dr. Smith and other citizens from the area have been busy building programs to help both children and adults with "human problems." The Antioch Humanistic Society presently sponsors the H.E.L.P. Center (a community counseling program), Camp Antioch (a summer therapy experience

for children with adjustment and achievement problems), and the Antioch Institute.

While other professionals direct the camp and the H.E.L.P. Center, Dr. Smith directs the Institute, which is concerned with research and educational consultation. According to Dr. Smith, "One of our major concerns is early identification of children with learning problems."

The Institute has worked with Computer Psychometric Associates, Inc., an Illinois firm marketing a special screening technique for early identification. Last Spring, the Institute co-ordinated a statewide project involving distribution of over 75,000 tests in 26 counties, and also conducted research studies under a special project grant from the State Office of the Superintendent of Public Instruction.

Dr. Smith reports that his comments to the Senate Sub-Committee, which includes Senators Javitz, Kennedy, Eagleton, Gravel, and others, will be brief. He says, "I simply want to make a plea for getting early help to all those children who struggle so terribly through the early years of school because of undetected learning disabilities."

Most special programs arrive "...too late with too little..." according to Dr. Smith. There are ways of finding high risk children early, and early intervention can prevent them from a difficult trip down the education trail. All too many children have early difficulty, and then become "psychological drop-outs." They occupy space, but are underinvolved in their own educational program. This tragic waste can be avoided if we move toward early identification and early intervention.

CRABBY APPLETON ?

In 1855, Ella Wheeler Wilcox said, "Laugh and the world laughs with you; Weep and you weep alone; For the sad old earth must borrow its mirth, But has trouble enough of its own."

Ella, was a lady with the right idea even if she did live some 100 years ago. What was true then still rings true today, both loud and true.

So many people spend their whole life being crabby. They are actually professional crabs, who make a career of crabbing. They seek out mistakes in every area, troubles in all categories, and harp upon misfortunes past, present and some they just know are in the future.

What a horrible way to go through life. These people have probably never realized that when you greet a person with a smile, it is likely to be returned. That if you look for the bad side of people you probably will find it.....why not be content with the good side. That laughter is contagious and can make even a tragic situation less tense.

There is nothing really wrong with a serious-minded, self-contained person. but what does he really possess unless he is able to step out of his rigidness.....laugh and be willing to be laughed at.

A few springs ago college students were playing the William Tell Overture loudly out their dorm window on a busy Milwaukee Street. At the same time an elderly gentleman, nicely dressed in a suit passed below the window. He looked up, smiled picked up his umbrella and yelled "Charge," as he took off to the beat of the Lone Ranger.

The charging businessman is someone to be admired; he was able to step outside of himself and really laugh and enjoy himself. This should be a happy time of the year, as the whole outside world begins to come alive again - it should be an easy time to smile. If you are a professional crab, or even a part-time professional crab, this may be a good time to turn over a new leaf. Try to remember the last time you laughed, maybe it's time to take a step outside of yourself and enjoy every day.

CONGRESSMAN REPORTS FLOOD INSURANCE PROTECTION

Congressman Robert McClory has reported that the entire unincorporated area of Lake County now qualifies for low-rate Federal flood insurance. The protection which becomes available on April 4, results from the recently adopted land-use and land-control measures enacted by the Lake County Board.

Federally subsidized flood insurance provides protection against damages up to \$35,000.

The 13th District Congressman reported that flood insurance may be obtained through local insurance agents, who may secure additional advice from the State Farm Fire and Casualty Company, 2308 East Oakland, Bloomington, Illinois 61701. Inquiries also may be directed to Congressman Robert McClory, Rayburn House Office Building, Washington, D. C. 20515.

BERNING INTRODUCES FLOOD CONTROL LEGISLATION

State Sen. Karl Berning, has introduced legislation in the Illinois General Assembly to begin work on a flood control program along the DesPlaines River in Lake County.

Senator Berning has submitted a bill that would appropriate \$100,000 to begin the much needed flood control work.

The state funds could be matched by federal and local monies to begin a reclamation program. Early stages of the project would include the removal of vegetation and other undergrowth to free the flow of water in the channel and help alleviate the flooding which occurs during heavy rains.

Sen. Berning said "during my recent campaign for re-election to the State Senate I pledged that I would begin immediately to try and get this problem solved.

"I have been working closely with the Division of Water Resource Management on a permanent solution to the flooding along the DesPlaines River in Lake County. The bill introduced in the legislature would provide the money to begin that task.

"As in the case of all appropriation bills, it is necessary that the governor concur. I will urge Gov. Walker to support our efforts. He pledged during his campaign to address the flooding problems in Northeastern Illinois and residents of Lake County should demand that he follow through. I urge all of you that are so vitally interested in this project to join me in the effort by letting the governor know you want action on this project."

DEUSTER NAMED TO ADVISORY COMMITTEE ON NORTHEASTERN ILLINOIS PLANNING COMMISSION

The Speaker of the Illinois House, Rep. W. Robert Blair has named Rep. Donald E. Deuster to the Legislative Advisory Committee of the Northeastern Illinois Planning Commission.

According to Deuster, the function of the committee is to consult with NIPC on all policy matters relating to long-range planning for Northeastern Illinois.

"Lake and McHenry Counties," Deuster said, "and all of

the Chicago Metropolitan Area are confronted with critical problems affecting transportation, flooding, land-use, school finance and rational development. Unless we plan the future carefully, our accelerating population growth in this region will simply create havoc."

Deuster also serves on the House Transportation Committee, and is Chairman of a special Subcommittee on Mass Transit for the Chicago Metropolitan Area.

STRONG NATIONAL LEADERSHIP URGED FOR 10-YEAR METRIC CONVERSION PROGRAM

Testifying before the Subcommittee on Science, Research and Development, Congressman Robert McClory today recommended strong and determined leadership in Congress for a 10-year Metric Conversion Program. The Illinois Congressman, one of the early proponents of United States adoption of the metric system of weights and measures, recommended passage of a bill creating a nine-member Metric Conversion Coordinating Committee.

In his testimony, Congressman McClory cited the recent three-year metric study performed by the National Bureau of Standards, noting that "without the prestige and the powerful influence which this study represents, we would not today be on the road to a Metric Conversion Program." However, the Congressman warned that "substantial efforts in the Congress to adopt the metric system have been made in the past." He noted that as early as 1896, a bill passed the U. S. House of Representatives requiring that government departments should use the metric system exclusively. He warned: "The measure later was defeated."

Congressman McClory cited the numerous voluntary conversion programs, including conversion to metric standards of a plant of International Harvester

Co. in Libertyville, Ill. and the Ford Motor Co. plant at Lima, Ohio, where Ford Pintos are being produced according to metric measurements.

Calling for a coordinated program - largely voluntary - Congressman McClory noted also the need for a broad program for education, and full and frank communication with the public in order for the Conversion Program to succeed. Congressman McClory concluded, "Conversion to the metric system would bring our great nation into step with every other nation of the world."

Congressman McClory cautioned that the Committee would have to meet head-on, and overcome objections and obstacles of individuals and small groups in order to assure the leadership required to carry out the recommendations of the United States Metric Study Report.

HIPPOS RETURN TO THE CHAIN OF LAKES

It's really happened, the Hippos have once again returned to the Chain o' Lakes after an absence of 14 years. The Hippos were last seen in this area in 1959 at which time they migrated back to the Nile River Valley to spawn.

Hundreds of these large, friendly beasts have already been spotted in Lake Catherine, Lake Marie and Channel Lake, and hundreds more are expected to return in the next few weeks. Although the Hippos are native to rivers and Lakes of Africa, especially the Nile Valley, they are known to migrate great distances and have once again chosen the Chain as a summer home. The Hippos are expected to stay throughout the summer and will feed upon two-legged mosquitos and small children.

The Hippos are friendly animals and are not to be feared, unless you are a small child, that is. The wonderful thing about the Hippo is that it can be easily spotted and identified. It has been said that when a Hippo spreads his jaws the distance from lip to lip is at least three feet. The interior of the mouth is a delicate pink and white, with 12 tusks veering in several directions. Behind the dark and hairy upper lip are bulgy, patient eyes that house a teensy spark of the devil.

The Hippos, weighing a mere 4,000 pounds, are best know by their sense of humor. One of these fellows has already surprised Tod Maplethorpe as he pretended to clog the lift station. The Hippos are also known to play pranks on unsuspecting fisherman and during the hot summer days they will undoubtedly be seen having a cold beer out on Blarney's Island.

Chief Jack Wells wishes to remind residents that there is a stiff fine imposed for anyone

who in any way harms these friendly beasts. Those guilty of such a crime will be fined \$100,000 million dollars and will be required to serve a short life sentence.

Although the Hippos are friendly and are much loved by many, some groups have been organized to discourage the Hippos from returning to this area in 1987.

The Day Care Center in Antioch feels that the Hippos are stealing their business and wish the Hippos to leave the area immediately. It is hoped that the Hippos do not hear of their objections, however, as they might retaliate and visit the pools this summer.

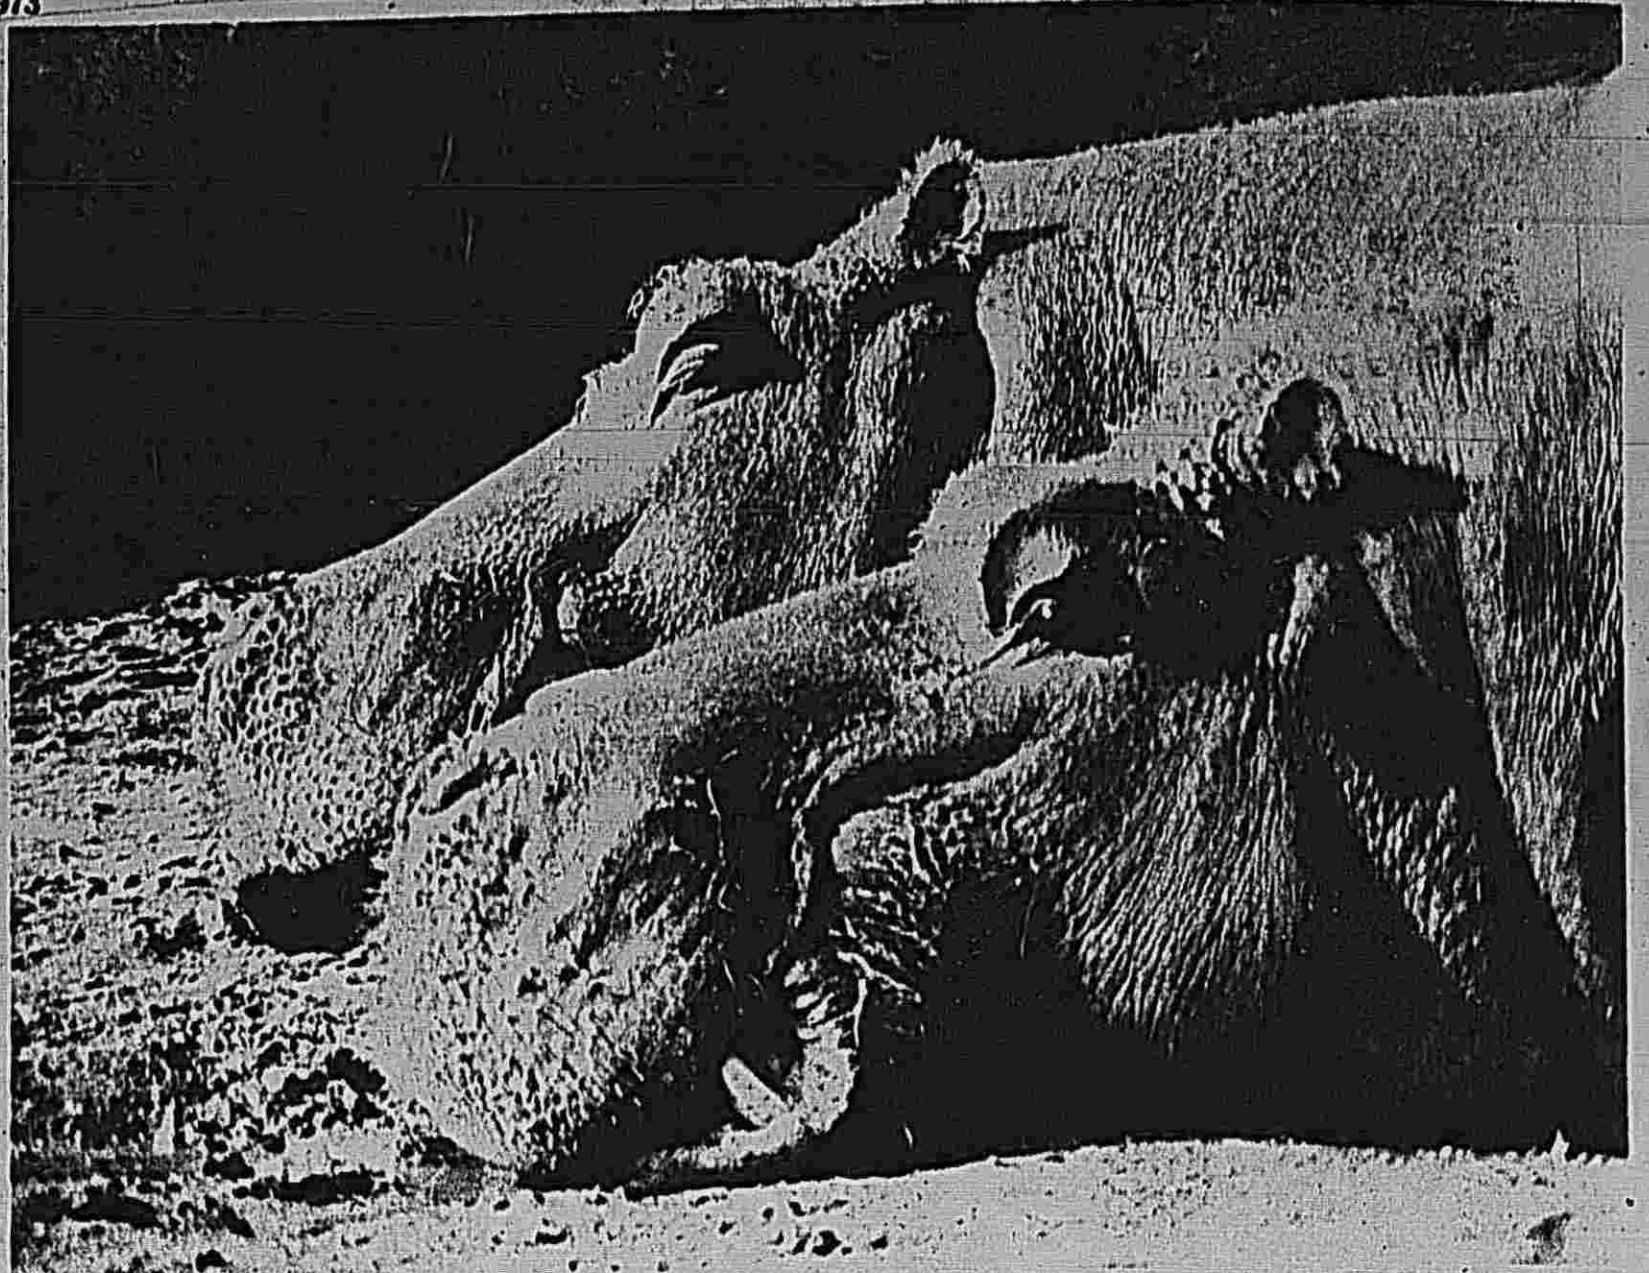

The purple martin supporters are also up in arms, as they feel that the martins do a much more effective job of eating mosquito's. They point out that the martins are less fussy than the Hippos and will eat four legged mosquito's, too.

When an ambitious contractor suggested that a housing development be built to accommodate these friendly beasts, a segment of area people also joined the opposition group. They feel that such a development would encourage the Hippos to stay in the area year-round and their schools are not ready to take on a Hippo population, not to mention their library.

Despite the local opposition, thousand of sight-seeing tourists will journey to Antioch from all corners of the world this summer to visit with these friendly beasts, and local merchants are anticipating a prosperous summer.

Eat your heart out Hinkley, Ohio (home of the annual buzzards) and Capistrani, who must be satisfied with birds.

Oh, by the way, with April Fools Day falling this week we thought you might enjoy this story - APRIL FOOL!!

Two of the humorous hippos seen lazily sunbathing on the shore of one of the Chain O' Lakes. (Photo by David Kauss)

LAVERNE WOODS PARTICIPATES ON IBA RESOLUTIONS COMMITTEE

L. M. Woods, President, of the First National Bank of Antioch, was a member of the Resolutions Committee during the 43rd annual convention of the Independent Bankers Association of America on March 18-21 at the San Francisco Hilton.

The committee drafted declarations of official positions upon banking and financial subjects that will guide formulation of Association policy during the coming year. More than 2,000 Independent Bankers and guests attended the convention.

DANIEL WERNER AT ABBEY

Young Chicago organist, David Warner, will perform in concert here on Sunday, April 8, at 3 p.m. at St. Benedict's Abbey Church. Admission will be free.

Werner's program will include selections by Bach, Vierns, David and Karg-elert.

The abbey is located about one mile north of Antioch, Illinois, on the Wisconsin-Illinois state line.

SUPERINTENDENT POLLEY MAKES TRIP TO FORT CARSON

On March 23rd and 24th, High School Superintendent Warren Polley joined the Lake County Tour to Fort Carson, Colorado. The trip was set up in conjunction with the Department of the Army and the Lake County Superintendent of the Educational Service Region. Fifteen educators were among

the 31 Lake County residents who made the trip.

The purpose of the two day session was to inform the group of the opportunities available in the new volunteer army so that better high school counseling will be possible. The sessions began at 6:30 a.m. and lasted

until 8:30 p.m. and were packed with valuable information.

Superintendent Polley mentioned that the total package deal available to today's young men was explained from beginning to end and was found to be very interesting and enlightening.

YOUNGEST ELECTION JUDGES EVER APPROVED BY BOARD

This year's Village Election will have two of the youngest election judges ever to participate in the workings of the election. Tim Staples and Dawn Scroggins, both seniors at

TIM STAPLES

Antioch Community High School, were chosen as election judges. Both students are 18 years old and are registered voters. Tim Staples voted in the last Presidential Election, but for Dawn this will be her first election of any kind.

Village Clerk, Marilyn Sterbenz contacted the High School in hopes of enlisting two volunteer judges. She thought that it might be a good experience for those students who are involved with local government classes to have some first hand experience with its actual workings. Several government students volunteered for the post, but many of them were disqualified because they were too young or were not registered. Superintendent

Polley screened the eligible applicants and submitted the two names to the Village, which the Board later approved.

Tim Staples said his job will be to count the ballots and to make sure no one votes twice. Dawn Scroggins will count the ballots also and check to make sure the voters are registered. Both students will receive training for their jobs on April 10th. They will be paid \$35 a piece for their services.

When asked how it felt to be

DAWN SCROGGINS

the youngest election judges, both students agreed that it was fun and different.

ABBOT DECLARES INCREASED DIVIDEND

Directors of Abbot Laboratories on March 9 declared an increased quarterly dividend of 30 cents per share on common stock. The former quarterly dividend rate was 27 1/2 cents per share. The directors also declared the regular 50 cent quarterly dividend on the Series A preferred shares.

Both dividends are payable May 15, 1973 to shareholders of record on April 20, 1973.

The Antioch News will continue to publish student Writings as they are not only delightfully creative, but they supply us with a glimpse of the minds of the young.

GIVING THINGS TO HELP POOR KIDS

"Giving Things to Help Friends" is a story that was written by Paul Steiert, who is

a sixth grader at the Upper Grade School. The story was written as Mr. Fransee's Language Arts classes were studying creative writing these past few weeks.

Some people throw all their clothes that don't fit them in the garbage. But not at our house, all the clothes that do not fit us we put them in the basement and then my Mom's going to give them away to Goodwill because there's a lot of kids without good clothes. Don't get me wrong because I'm not saying all our clothes are in great shape.

If you had real sloppy clothes, you'd be embarrassed because people would probably look at you and say, "Look at the little slob."

But some people would come to their senses and say, "But you know he may not have parents to give him love and security that he needs. Maybe he couldn't get clothes and things like that."

When some parents can't give you and they can't support you they send you to an orphanage. And the orphanage like most orphanages don't have enough money to give the kids good clothes and good food.

Three years ago, when I was in 3rd grade, my Aunt and Uncle took a boy out from the orphanage so he could have a good Christmas. His name was Todd. He was put in an orphanage because his parents couldn't support and give him the love and attention he needed. His father was a drunk and his parents would always fight. So they put him in an orphanage because they didn't want him. He was honest and hard working.

For Christmas he bought everybody a gift. He gave me a notebook and some paste. I can only remember mine

AIR CONDITIONING AVAILABLE CONTINUED
Another type of built-in air conditioner, which is an optional choice on Fords, Thunderbird and Mercurys for 1973, and is standard equipment on the Lincoln Continentals and Continental Mark IV, is the Automatic Temperature Control type. This system combines the air conditioning system with the heater system in the car so you can make one car-interior-temperature range setting for all seasons.

In hot weather, the system automatically supplies cooled, dehumidified air as required - and in cool weather, the system automatically supplies heated air as required, to bring car interior temperature up to your control-setting demand. They system also automatically controls the blower, changing its speed as necessary to maintain your selected temperature range.

REPUBLICAN WOMEN'S AUXILIARY ANNUAL SPRING LUNCHEON

The Antioch Township Republican Club-Women's Auxiliary will hold their Annual Spring Luncheon on Wednesday, April 4th at the Rustic Manor in Gurnee.

This year the Dobe Farm Special Education School will be the beneficiary of the ATRC-Women's Auxiliary with proceeds from the party being used to purchase important and necessary items which are needed by the school for the children's use.

The frosting on the cake at the party will be a "Genie" known as Jean Bonnell whose specialty is astrology, palmistry, ESP with some good old-fashioned card reading thrown in.

Miss Bonnell feels no mysterious calling to give dire predictions, nor even desire to gain fame as a mystic. She simply delights in using the occult to bring pure unadulterated fun to people.

Additionally there will be a gob of door prizes for the lucky attendants, led by two \$25 U.S. Bonds plus many other valuable items.

Happy time starts at 11:30 a.m. with luncheon at 12 noon. Donation is \$5.00. For advance reservations call Hilda Stern 395-2713.

GIVING THINGS TO HELP POOR KIDS Continued

for Christmas. Todd had up to \$60 spent on him. Well, now he lives in an orphanage in California.

So you see what I'm saying, be nice to your kids, give them the love and attention they need. I should know.

My Mom and Dad love me and I love them and I guess I could say, I have a pretty good life.

So remember if you have any old clothes you don't need give them to orphanages and help all the poor kids. I'm not forcing you to do this but remember if you don't give any clothes or something

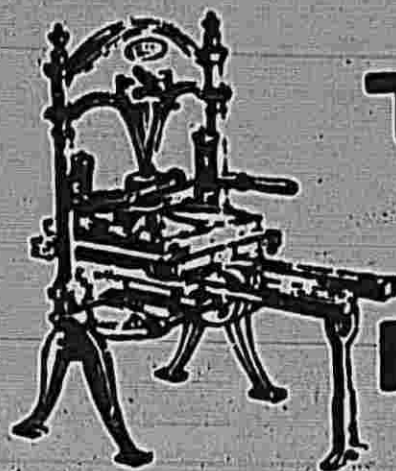

helpful it could be you in their place.

And if you really want to make someone happy, adopt some kids even if you already have kids. It will be making the kids happy, and it will probably make you happy even if your not a kid lover. Well, anyhow please take my advice and you'll make some happy and then everybody will be happy.

And by the way this clothes needing thing, does not only go for little boys and girls. Lots of men, women, and families need clothes. So just try to give something helpful.

Please...

The Time Machine

70 YEARS AGO, MARCH 26, 1903

The many friends of Mr. and Mrs. Tony Armstrong, (nee ADA BURNETT) will be pleased to learn that they are happily situated on the Millbrook Poultry farm, at Freeport, Illinois.

We understand that a number of new buildings will be erected in town this summer, among them being residences for D.B. Sabin and F.L. Thorn.

50 YEARS AGO, MARCH 29, 1923

Petitions were filed on Wednesday for an Independent Party ticket to be presented to the voters at the village election April 17th. Those filing were: George Bartlett for Village President, Frank Dunn, C.R. Runyard and J.B. Drom for Trustee and W.F. Zeigler for Treasurer.

Mrs. Rhymer has rented the Fiddler Flat on Spafford St.

20 YEARS AGO, MARCH 26, 1953

Charles J. Cermak, Real Estate Broker and Insurance Dealer, was re-elected president of the Antioch Chamber of Commerce by the board of Directors. Also re-elected were George Borovicka, vice-president and Rudy Eckert, treasurer.

Mrs. Earl Pitman of Antioch who is spending the winter in West Palm Beach, Florida was among the High Scorers at the duplicate Contract Bridge Tournament held recently at the Hotel George Washington in Palm Beach.

10 YEARS AGO, MARCH 28, 1963

Two eighth grade boys from St. Peters School shook hands with President John F. Kennedy. The 2 boys Thomas Jermakoz and Ray Palenik were with their eighth grade class when it made the trip to O'Hare Field last week to witness the Dedication of the field and see President Kennedy.

The long awaited completion of the re-paving of North Main Street began in Antioch. The paving was torn up during installation of the new sewer system last summer.

REMEMBER WHEN

REMEMBER WHEN? We don't, but we know that all it takes sometimes is a little reminder to jerk a memory and bring back recollections of those days gone by. Each week we print an old photo submitted by an Antioch resident. Some we will be able to identify. For others, we leave it to you to search your own mental scrapbook. Call us if you can identify a photo. Better yet, if you have a memorable photo to share, bring it in to the office.

Along the Way with *Annie Mae*

Spring is really here, it smells so fresh outside!

Many college students have been seen around Antioch, home for spring break and following exams. Scott Albright of Grass Lake just returned from Midland Lutheran College in Fremont, Neb. It was nice to see Mike Ozga home from North Texas State and his brother Ron from Monmouth College at the High School Fine Arts concert recently. And Laurie Good was home for a weeks break from Naperville. It's nice to see all your smiling faces again.

Misses Debbie Toft and Donna Hanson recently returned from a two-week automobile trip to the South. They spent time in New Orleans, La. and then went on down to St. Petersburg, Fla. where they spent some time with Donna's relatives. Of course a day spent in Disney World was a must. Then on to Miami where they flew over to Jamaica and spent a "heavenly" five days. They both certainly hated to return to their jobs at the First National Bank but it was a must as their pocket books needed a bit of refueling. All in all the whole thing was just a wonderful experience for them.

Jerry Haley returned from service from Japan. His new bride will follow in a month. Welcome home Jerry.

Another returnee to Antioch is Homer LaPlant and his lovely wife. They spent 60 days soaking up the sun in Florida and on a Caribbean Cruise. Homer reports that they headquartered in Clearwater and from there they went to Fort Lauderdale and Naples and Fort Lawson just relaxing and occasionally visiting friends and relatives. Thanks for bringing back the sun with you.

Clem Haley is also back from Africa after 2 weeks. Whats the matter Clem, didn't you like the hippos?

Mr. and Mrs. George Gundelach had a lovely 32nd Anniversary Party on Saturday night, March 24th. The cocktail and dinner party was held at Hunters Country Club in Richmond for 32 of their close friends and relatives. Big surprise of the evening was a Micro-Wave oven. Mrs. Gundelach said their daughter had been "busy", and naturally all was thoroughly appreciated. The Gundelach's anniversary is March 29th. Congrats from us too.

The Republican Club of Antioch held their installation of officers to a full house last Saturday night. The Honorable W.J. Murphy was the main speaker for the evening. Congratulations new officers. May you have lots of help and cooperation.

Get well wishes go to Walt Delaney and Don Cramer. Also Mary Hancock is in Room 409 in Victory Memorial Hospital following surgery. Its nice to see Dr. Abderholden walking around town following his return home. Looks like he is following good advice.

Birthday wishes this week go to George Rodellus who celebrated on March 26. Also very special wishes go to Fannie Lemker who will be 85 years young on March 29th and to Gary Rush in Annapolis Maryland goes loving wishes for March 29 when he will be 19. Hope you enjoy your cake Gary. Ruth Calloway, Jim Glenn, Florence Yucus and Tom Poernich, who celebrates the big 4-0 receive our good wishes on the 30th. April begins with Irene Rodellus and Bob Wilton celebrating on April 1. Irene is a former resident of Lake Marie.

Won't be long before sign up for Little League Season. Check further in the paper for time and places.

Our condolences to the Portalski family of Ingleside and Channel Lake on the death of their loved one.

Teachers from B-J Hooper School enjoyed an evening out with their spouses at the Hunters Country Club. Everyone had such a good time, they're going to do it again real soon. Mrs. Frank ReCupido was hostess of the lovely affair.

See ya at the VIP Dance at St. Peter's this Saturday evening. Should be a fun night.

Annie Mae

The windows of the Antioch Evangelical Free Church were struck by vandals again this week as a rock was thrown through the unusual front windows. (Staff Photo)

VANDALISM STRIKES AGAIN

The Antioch Evangelical Free Church on Tiffany Road and Highview Drive was victimized by vandalism in the early morning hours of March 22nd. A rock was thrown thru an east stained glass window, and was the third such window that has been broken this year.

Rev. Bernard Fosmark said the rock must have been thrown with great force, since the window was made out of special glass which is six times stronger than regular glass. It will be six to eight weeks before the 7' x 2 1/2' pane will be able to

be replaced. The estimated cost of damage is \$125.

Vandalism has struck the church in other areas, too. Last winter five evergreen trees were run over by snowmobilers. Rev. Fosmark said the snowmobilers were resentful since they were asked not to run their snowmobiles through the parking lot during services.

Vandalism has cost the Church nearly \$500 this year and it is certain that this money could have been spent for more worthwhile projects.

PORTRAITS..... Capturing a likeness of a person and making it a work of art, has been the task of artists for centuries. Even the invention of the camera did not dim the desire of most artists to paint the human face in a recognizable manner. Many famous artists painted self portraits, like Rembrandt, who painted himself some 50 times throughout his life. Van Gogh also left us many paintings of how he saw himself. Albrecht Durer liked to depict himself as Christ. You also may have this desire to paint portraits, but are afraid that it is too hard for an amateur or beginner. All Artists were beginners, too, and therefore like them, you should

start learning to do portraiture by drawing people you know, your family, friends or famous people from photographs. But don't start out painting, as you will have enough problems drawing the features right, so why add to the problems of skin color and brush strokes. The series of articles on Portraits to follow will lead you from simple sketching, finished drawings, then to painting in color.

The problem right now is simply a warm-up, by sketching the head in many positions, noting how the features change as you see them from different angles. Do not try for a likeness, but concentrate on the correct placement of the eyes, nose and mouth.

NEXT WEEK: PORTRAITS, THE EYES

Marg Erickson and Robin Hunley (Miss First National Bank in Miss Teen Age Illinois Contest) picking out material for a formal the First National Bank is having made for Robin for the Contest. The Bank is Robin's sponsor.

ONE DISAPPOINTED ANTIQUER

As a serious antiquer for the last four years or so, I was wholeheartedly disappointed with the 1973 Antique Show held at McCormick Place over the weekend.

I found the displays almost tiresome as a greater variety of antiques can be found in any area Antique Shows. The displays were exactly alike for the most part and the dealers could not have created such carbon copy displays if they had worked for a year at it. Each display seemed to offer the viewer several cases of jewelry and an assortment of various types of crystal and china.

However there were a few exceptions. Namely a very good collection of antique dolls of all sizes and shapes and a silverware display.

For the most part the

Antiques, those that were truly antiques, were grossly overpriced. I observed such items as a chewing tobacco clock that chewed, priced at \$300.00 and a 1930 tin clock with a nice new false face for a mere \$75. There were some items of course that were not too badly priced, but these items were few and far between.

Many "non-antiques" unjustly found their way to the show. I saw a lot of new jewelry being passed off as several decades old and there was even an exhibit of nice "new" paperweights.

Nursing very tired feet and a big disappointment, I decided that next year I'll attend the flower show, which I hear is a big success.

Kathy Kauss

HIGH SCHOOL BOARD ELECTIONS ARE NEAR

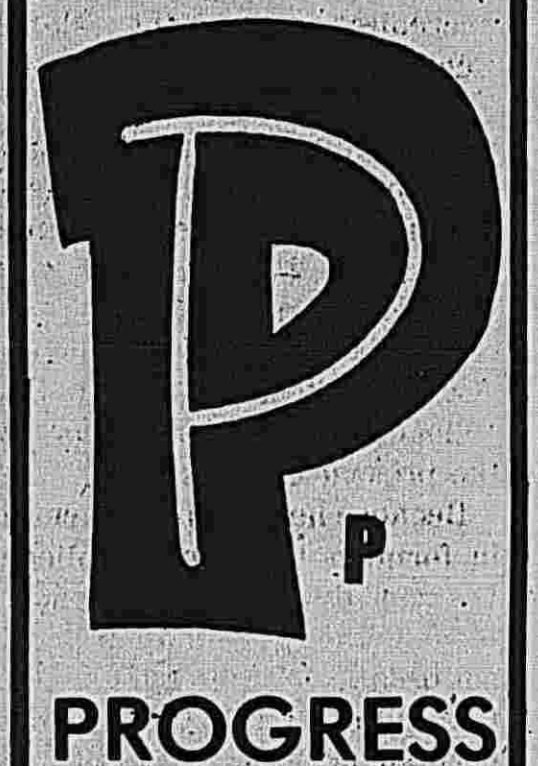

There are two seats open for re-election on the Antioch High School Board. They will be vacated by Bill Brook, who has been a member of the Board since 1958 and President of the Board since 1967. William Petty, who has been on the Board since 1967 also vacates his seat this year.

Petitions have to date been filled by Mrs. Evelyn Bolt, of Lake Villa, Mr. Frank Johnson of the Antioch Lake Area and Mr. Charles Forster, who owns the Grass Lake Lumber Company.

Final date for the petitions to be filed is March 23rd and the final date for the withdrawal of petitions is March 27th.

Elections will take place on April 14th.

PROGRESSIVE PEOPLES PARTY

Inflation hasn't changed the price of ashes.

But it has changed the price of your home. For example, if you bought a \$20,000 home in 1968—today it's worth about \$27,000. Don't be left with a costly pile of ashes. See me about a State Farm Homeowners Policy that will cover your home for all it's worth... and keep it that way with automatic Inflation Coverage.

DR. DAY SEEKS REELECTION TO THE CLC BOARD

Dr. Lawrence Day, President of the Board of College of Lake County, has announced he will seek his third term in the April election. Dr. Day was among the first Board of Trustees elected to establish the College in 1968.

Elected President last year, Dr. Day cites his interest in seeing the College receive full accreditation as a primary reason for seeking reelection. CLC will be eligible for full accreditation by the North Central Conference in August.

Dr. Day was chairman of the site committee for three years. This committee was instrumental in obtaining a site for the College of Lake County and planning its development. This committee also helped to obtain 184 acres which was a gift to the college and comprises most of the present campus.

Because he was instrumental in forming the Junior College District, Dr. Day sees his next term as the "culmination of all our dreams for this college." By the Fall of 1974, Phase I of the permanent Campus will be completed.

"During our first four and one half years, CLC has had over 20,000 students enrolled in our interim facilities. When classes began this past September, we had more than 5,000 enrolled. With Phase I complete, we will be able to offer still more for the students of the District," said Dr. Day.

He also pointed out the recent move by the Board to permit extension courses in any Lake County high school requesting them. Several high schools outside the present boundaries have responded as well, he noted, adding to the growing respect for CLC and its staff.

A practicing physician in Libertyville since 1947, Dr. Day served six years on the Libertyville High School Board, and was its president for two years. He has also been President of the Lake County Chapter, Academy of General Practice; and President of the Medical Staff, Condell Memorial Hospital, Libertyville.

He is currently President of the Board of Directors, Lake County T. B. Sanatorium. The Tuberculosis Sanatorium Board has recently established a contract with the County Board of Supervisors to provide nearly all of Lake County hospital and Health Services in addition to the Tuberculosis Sanatorium.

Dr. Day holds degrees from Southwestern College, Winfield, Kansas and Northwestern University School of Medicine. He served 6½ years in the U.S. Navy during World War II, and attained the rank of Comman-

der at the time he resigned.

Dr. Day is a member of the Libertyville Chamber of Commerce, and has been a member of the American Legion and V.F.W. He and Mrs. Day are parents of five daughters.

HAMMOND ORGAN SOCIETY MEETS IN NEW LOCATION

The Lake County Chapter, HAMMOND ORGAN SOCIETY, has a new meeting place and date. The new place is "Parrin Hall," in the Waukegan Public Library, 128 North County, in Waukegan, Illinois. The new meeting date is the fourth Wednesday of the month, which will be March 28, 1973.

The business of the evening

will be the election and installation of Officers for the coming year. The slate is as follows: Mr. John Carey, President; Mrs. Dawn Wittig, Vice-President; Mrs. Vaughne Jackson, Secretary; Mrs. Irene Lusch, Treasurer.

After the meeting we will present our "Guest Artist," Mr. Walker Baylor. Mr. Baylor will play a variety of music for your listening pleasure. He has

had various experience with organs, beginning with the reed type pump organ, thru the Mighty Wurlitzer Theater Organ, and the Hammond Organ at Melrose Park Roller-Skating Rink, to many different church organs. Mr. Baylor is presently serving as organist for the Mundelein United Methodist Church.

Refreshments will be served, and the public is invited to attend.

BANANA CRUNCH CAKE

Sour cream and bananas flavor this yellow cake which is layered and topped with crunchy coconut frosting, butter and rolled oats, for a refreshing snack or dessert cake.

5 tbles. butter or margarine	1 pkg. Pillsbury Coconut Pecan of Coconut Almond frosting mix
1 cup rolled oats	1 cup dairy sour cream
4 eggs	2 large bananas

1 pkg Pillsbury Yellow Cake Mix

Preheat oven to 350 degrees. Grease and flour 10-inch tube pan. In saucepan, melt butter; stir in frosting mix and rolled oats until crumbly; set aside. In large bowl, blend next three (3) ingredients until smooth. Blend in cake mix; beat 2 minutes at medium speed. (High speed with portable mixer.) Pour 1/3 of batter (2 cups) into prepared pan. Sprinkle with 1/3 of crumb mixture (1 cup). Repeat twice with batter and crumbs, ending with crumb mixture. Bake 50 to 60 minutes until toothpick inserted in center comes out clean. Cool upright in pan 15 minutes. Remove from pan and turn cake so crumb mixture is on top. Makes 10-inch tube cake. Bake at 375 degrees for 50 to 60 minutes.

2 DIE IN HEAD ON COLLISION

Mrs. Alice Portalski, 25, of Fox Lake, was killed in a head on collision on Saturday, March 24th. She was the wife of William Portalski and the mother of a 17 month old son, David.

Harold C. Dixon, 77, of Fox Lake was also killed in the collision.

The accident occurred North of Lake Villa on Rte 59 and Petite Lake Road at 1:00 p.m. Both victims were passengers. Mrs. Portalski was riding in a car operated by Mrs. Anna M. Wienki, 56, of Indigleside. Mr. Dixon was a passenger in a car operated by his son, Ronald R. Dixon, 37, of Round Lake.

According to the Sheriffs Deputies, the accident occurred as the auto driven by Mrs. Wienke veered off the West side of Rte 59. While her car was returning to the highway, it crossed the southbound lane and collided with Dixon's auto.

Both victims were pronounced dead upon arrival at 1:40 p.m. at St. Therese Hospital in Waukegan.

Mrs. Portalski's son David, who was also involved in the accident was not hurt.

Mrs. Wienke, however did sustain injuries and is still hospitalized.

Further investigation of the accident is pending.

B-J RUSH of Antioch

American Legion Auxiliary

A swimming party is on the agenda for the 10th District Juniors of the American Legion Auxiliary, to be held at the large, indoor heated pool of Mrs. Wayne Potter of Grayslake on Sunday, April 1st, from 2:00 to 4:00 p.m. Mrs. Charles Mc Cormack, Mundelein, district junior activities chairman; and co-chairman, Mrs. Ray Rathmann, Antioch; ask that all juniors wishing to attend notify their unit junior advisors as soon as possible.

The Forty-Fifth Annual Department Patriotic Conference of the Illinois American Legion Auxiliary, will be held on Thursday, April 5, 1973 at the Pick Congress Hotel in Chicago. The sessions will open at 9:30 a.m., with Mrs. Victor W. Lello, Chicago, State President, as the presiding officer.

Heading a delegation of some 90 women from the 10th District, will be Mrs. R. Rathmann, Antioch, 2nd Division President; Mrs. Everett Ainsworth, Lake Forest, 10th District President; Mrs. Norman Holt, North Chicago, District Vice President, and Mrs. Ted Odom, Libertyville, District Historian.

Since this meeting features Americanism, Civil Defense and Emergency Planning and National Security, their respective district chairmen, Mrs. Richard Brown, North Chicago, Americanism; Mrs. Philip Cole, Highland Park, Civil Defense; and Mrs. Jean Keehn, Libertyville, National Security; will be present.

The morning session will be held in the Gold Room on the Mezzanine Floor. Although all plans are not quite definite as yet, a very informative and challenging program is being

planned, regarding national security, civil defense and emergency planning, with special emphasis on Americanism.

An enjoyable entertainment surprise will occur at the luncheon session when Illinois' own Mrs. Louis Unfer of Champaign, National Vice President of the Central Division, will pay her official visit and be a most honored guest. Luncheon will be served at 12:30 p.m., in the Great Hall of the Pick Congress.

The afternoon session should be concluded at 3:30 p.m. Representing the Antioch Unit at the Patriotic Conference will be Mrs. John L. Horan, President; Mrs. Rathmann, Americanism Chairman; Mrs. John W. Horan, Civil Defense; and Mrs. Samuel Pettigrew, National Security chairman.

On April 2nd, the Antioch American Legion Auxiliary No. 748 will hold their regular meeting at 8:00 p.m. at the Antioch American Legion Home. Mrs. J.L. Horan will conduct the meeting.

Roman Vos is still trying to figure out how to put a kite together for the Jaycees Kite Day on April 8th.

JAYCEES KITE FLYING CONTEST

The Antioch Jaycees are sponsoring a Kite Flying contest to be held Sunday, April 8th at 1:00 p.m. in the East parking lot of the Antioch High School. There will be two age groups: 9 years old and under and 10-14 years old. First, second and third prizes will be given in each group for the Best Fliers and for the Most Original

Kites. A grand prize will be awarded to the Biggest Kite (that flies!!)

GUIDELINES FOR SAFE KITE-FLYING

"If your youngsters can read, please show this article to them," Commonwealth Edison's John Elliot says to parents. "Otherwise we hope you will read it to them."

Spring and the kite-flying season are about to begin. "Young people should know and observe the rules of the sport," said Elliot, area manager of Edison's North Shore Headquarters. These are the guidelines for safe kite-flying:

1. Ordinary kite string is a

New Deductions

Mr. and Mrs. Keith Christophersen, of Ingleside, Illinois are the proud parents of a baby boy born on March 20th in Highland Park. Keith Alan Jr. tipped the scales at 6lbs. 14oz.

Mrs. Christophersen is the former Laurie Markwart. Proud grandparents are Mr. and Mrs. Robert Markwart of Antioch and Mr. and Mrs. Elmer Christophersen of Antioch.

Mr. and Mrs. Neil Carney became the proud parents of their seventh child, a baby girl, born on March 18th. Amy Patricia weighed in at 7lbs. 5 1/2oz. and was 20" long.

Paternal grandparents are Mr. and Mrs. Ed Carney of Antioch.

must; never substitute wire.

2. Kites should be flown in open areas away from traffic, overhead lines, and trees.

3. If a kite gets hung up on a tree or on a line, do not go after it. You could be out for the season if you fall from a tree and break an arm or leg.

4. Rain and lightning are dangerous to kite-fliers. Go indoors at the first sign of a storm.

5. Make a tail for the kite out of old pieces of cloth. Never use anything metallic.

VISITORS FASCINATED BY "NO HANDS" LAWN MOWER AT CHICAGO FLOWER AND GARDEN SHOW

There's a solution to the problem of "who's going to mow the lawn" being demonstrated at the Chicago Flower and Garden Show - McCormick Place, March 24 through April 1 no one does! You just leave it to the Mowboat - the world's first totally-automatic lawnmower!

Visitors to the flower show - men, women and children - seem to watch in amazement as this "lawnmower with a brain" takes over the whole job. It doesn't even have to be watched. The Mowboat is electronically-controlled, battery-powered (no electric cord; re-charges overnight), and self-propelled. You simply "direct it" to the area to be mowed, turn it on, and then go about your other duties. It will mow up to half an acre at a time - even on slopes up to go degrees - with perfect safety of flower beds, plants and shrubs.

From the attention the Mowbot is getting at the flower show, it looks like families

throughout the midwest will have neater lawns - with more time for their other activities.

ROYAL NEIGHBORS PLAN RUMMAGE SALE

The Royal Neighbors met on March 13th and made plans for a rummage sale to be held on April 13 and 14 at the American Legion Hall.

Birthday gal for the month was Dot Gelden. Pearl Anderson was congratulated on her Golden anniversary and was complimented on the lovely party that was given to her and her husband by their children.

The Royal Neighbors Officers Annual Party will be held on April 3 at 6:00 p.m. at Vitto's in Camp Lake.

Committee for the evening were Myrtle Delany and Pearl Anderson.

CAREER CONFERENCE HELD AT LAKE COUNTY FAIRGROUNDS

A career conference designed to provide high school juniors and seniors with an opportunity to explore career possibilities in Lake County will be held April 4 from 9 a.m. to 4 p.m. and April 5 from 9 a.m. to 1 p.m. at the Lake County Fairgrounds, Grayslake.

Joel Tabachuknik, the 1973 chairman of the third annual Lake County Career Conference has arranged for approximately forty-five area businesses to participate.

The conference idea was originated by James Haas, counselor at the College of Lake County. Haas served as chairman of the first conference and as co-chairman the second year. According to Haas, ARA food service will serve refreshments at the conference and profits from food sales will be donated to the College of Lake County Veteran's Club. The club is active in several community service projects.

"In addition to area businesses, the College of Lake County and several branches of the military will also participate in the conference," Haas said.

1963 CLASS REUNION PLANNED

The 1963 Class of Antioch Community High School is planning their 10 year reunion on August 17, 18 and 19. A fun filled week-end is being planned. The week-end begins on Friday with a tour of the high school. Saturday night, a dinner dance will take place at the Antioch Country Club. It will conclude with a picnic, but the location has not been decided upon as yet.

The committee has not been able to reach all its classmates, and wondered if anyone knows the addresses of the following:

Christine Anderson, Sharon Frank, Melody Gribbens, John Horton, Cheryl Kubs, JoAnne Lamborn, Beverly Mann, Peggy Moran, Ronald Orlof, Delores Prinzing, Darlene Renau, Sandra Smith, Karl Steinau, Arthur Swede, Ed Tiemann and Thomas Witt.

If you know the whereabouts of these people, please contact Pam (Meyer) Domek at 395-0735.

LAKE COUNTY SQUARE DANCE ASSOCIATION

LAKE COUNTY SQUARE DANCE ASSOCIATION is having a Jamboree Saturday, March 31, 8:00 p.m., at the Mundelein High School, 1350 North Hawley Street, Mundelein, Illinois. The dance is free for Association members. Non-members pay \$2.50 per couple. National Caller Ed Friedenberg.

WESLEY EVENING CIRCLE PRESENTS "FLY INTO SPRING"

In spring a woman's fancy turns to a new wardrobe and what better way to "wish shop" than a spring fashion show?

The Wesley Evening Circle of the United Methodist Church of Antioch is busy planning their annual Feast and Fashion dessert buffet and style show. This year it will be an enchanting tour of fashions from Lanathan's of Waukegan on Thursday evening, April 12 in Wesley Hall. "Fly Into Spring" will lift off at 7:30 p.m.

Models for the event will be

Ms. Jan Burdick, Irene Hahn, Edith and Heather Jenkins, Penny Anderson, Jean Homan, Alice Hinkle, and Margurite Schneider. Styles will range from junior petites to half sizes. Something to please everyone is promised. This is also true of the dessert line. All sorts of surprises to please the sweet tooth will be offered.

Co-chairmen of the event are Ruth Bobzien, Alice Pashke, and Beverly Sorensen. Tickets are \$1.75 and can be purchased from all circle members or by calling Alice Pashke, 395-4428.

ST. PETER'S CANDY DRIVE

To procure needed audio visual equipment St. Peter School had a Candy Sale. The response to the sale from family and friends was very gratifying. The top five salesmen in the school were: Lynette Foreman, Mary Ann Mihovilovich, Greg

Krol, Glenn Kaht, Tina Grigonis. To help boost sales, Mr. Joe Sterbenz of Antioch Bowling Lanes, offered 3 free bowling games for every 12 boxes of candy sold. Mr. Sterbenz will be welcoming St. Peter's students for weeks to come.

BOY SCOUT TROOP 92 AUXILIARY CARD PARTY

The Mothers Auxiliary of Boy Scout Troop 92 will have their 6th Annual Card Party on Saturday, April 7, 1973. The

Party will be held at the Antioch Moose Hall, and begin at 7:30 p.m. Refreshments will be served. Donation is \$1.00.

3RD ANNUAL FINE ARTS SHOW

The Antioch Community High School PTA will be holding their last meeting of the year on Wednesday evening, April 4th in the Commons.

The meeting is scheduled to begin promptly at 8 p.m., but everyone is urged to come early so they can view the Arts and Crafts done by the students that will be on display in the Commons.

Some of the categories are: oils, water colors, ceramics, photography, macrame, sculpture and miscellaneous. Ribbons will be awarded to the

winners, and a trophy will be awarded for "best of show". Also, a permanent trophy with the name of the winner engraved on it, will be kept in the school. A special invitation is extended to all students, as well as to adults, to attend this meeting.

During the course of the evening, the winners of two scholarships for academic merit will be announced. The new slate of officers to be voted upon will also be presented. They are: President: Lowell Lloyd; Vice-President: Evelyn Bolt, Secretary: Beverly Reckers, Treasurer: Delores Pucin.

Following the meeting refreshments will be served. Plan to attend.

PAULA BISHOP SPEAKS AT WOMAN'S CLUB

Paula Bishop, who had given an amusing and interesting talk at the closing luncheon of the Antioch Woman's Club last season returned on March 19 to continue her series of anecdotes about various of our "First Ladies" from Martha Washington to Julie Tyler. Highlighting the program were the large portraits painted by Mrs. Bishop, including an excellent one of Mrs. Nixon.

The program was introduced by Mrs. Donald Mentone, the club's program chairman. The business meeting was conducted by Mrs. Charles Watson, Vice-President.

MILLBURN SPRING LUNCHEON

A cafeteria spring luncheon will be served to the public by Millburn Ladies Aid of the Millburn Congregational Church at noon Thursday, April 5, in the church dining room.

Mrs. George De Young is chairwoman assisted by Mrs. Carl Anderson. A business meeting will be held in the afternoon with Mrs. John Haisma, President, presiding.

Program and devotions will be presented by Mrs. Eva Doolittle.

FUN FAIR AT ST. PETER'S

St. Peter's 8th graders created an atmosphere of fun and excitement for their fellow students last Thursday with a Fun Fair. A variety of games offered the children a chance to have fun and win prizes. Many of the prizes were especially made by the 8th graders themselves. In the picture to the left, Leila Ivey watches Vincent Schaff try his skill at the Bozo Buckets, while Amy Zaehler waits her turn. Below left, Jacqueline Zima's smile shows her delight at the prize she has fished out of the Fish Pond: "Pumpkin Man" Christopher Moser, whose mother helped at the Fun Fair, throws a sponge, trying to Hit the Dummy. In the next picture, Paul Chase (the Dummy) cringes at a near hit. The children worked up a hearty appetite, as shown by Kevin Schondel at the bottom. A Spook House and The Sound Machine were intriguing diversions in the day's activities. The students are deeply grateful to the volunteer mothers who helped to make the day such a smashing success, and also to Mrs. Wells for a delicious lunch.

COMMONWEALTH EDISON COMPANY ACTIVITIES

Reporting on Commonwealth Edison Company's activities in local suburban communities during 1972, John Viera, Edison's Northern division vice-president, stated that over \$4½ million was spent on the expansion and improvement of division transmission and distribution facilities last year.

The division headed by Viera extends from the north city limits of Chicago to the Wisconsin line and from the lake through half of McHenry County.

"Providing reliable electric service to our customers is, of course, our primary consideration," he stated. "To this end we installed 65 miles of new overhead and underground power lines, upgraded another 186 miles from 4,000 volts to 12,000 volts and installed or replaced 8,000 transformers. We also built one new distribution center which is, in effect, a miniature substation."

At another location, the first of four large transformers was recently placed in service to provide local power distribution capacity.

In 1972, Viera said, Edison's northern division customers increased from 405,000 to 422,000. He added that the division's customers upped their electricity consumption by

10 percent during the year to a record 8,300,000,000 kilowatt-hours while average residential use of electricity climbed to a new high of 8,000 kilowatt-hours per year.

Viera also reported on the construction of the Zion nuclear generating station, which is being prepared for initial service this summer.

"Work on the \$500 million plant has been in progress since 1967," he said. "Now nearly completed, it will have two 1,100,000-kilowatt generating units - the largest ever installed on the Edison system."

"Hearings in regard to the issuance of an operating permit for Zion are to be held by the Atomic Energy Commission in April" said Viera. "Production of the plant is vitally needed if we are to continue to meet customers' growing demands for electric power."

Zion will be the third nuclear plant to be placed in operation by Edison, according to Viera. The company, which has the nation's leading investor owned commitment to nuclear power, also has three additional nuclear plants scheduled for construction by 1980. At that time, it will be able to produce half of the power requirements of customers from nuclear units.

CIRCUS THRILLS ANTIOCH YOUNGSTERS

The Borger Circus, visited the Antioch Upper Grade school on Sunday, March 25th and was a huge success. Between 1,259 and 1,350 attended the dual performances. Over 858 tickets were sold in advance sales at \$1.00 per ticket and the overall comment that could be heard over and over again was that you really got your money's worth.

Arwood Acro-pups and the

tumblers were among the favorite acts, not to mention a comedy act in which a hefty lady endeavored to do acrobats.

The Circus was sponsored by Antioch Upper Grade School APT Club, Oakland Grade School PTA, Antioch Grade School PTA and the Channel Lake Grade School PTA. This is the first time the schools have attempted to present such a program.

SUEDES, FURS & LEATHER

Proper handling is essential with animal product garments. If not properly conditioned annually, the hide tends to dry, causing seam tears and/or loose fur. At S & S, we are serviced by a specialty house with pick up and delivery each Wednesday morning. There, the garments are properly cleaned, repaired if necessary, and reconditioned or glazed properly to lengthen their life and restore their beauty. They are delivered back usually within a week or can be properly cold stored till you need them. They are experts and if you have any questions, I'm sure we can help you through them.

HOMETOWN NEWS

MICHAEL E. PRESCOTT

Marine Sergeant Michael E. Prescott, husband of the former Miss Diane M. Ballantyne of 513 Piper Lane, Lake Villa, Illinois, completed the Aviation Support Equipment Technician School at Millington.

His duties will include the maintenance of gasoline and diesel engines, gas turbine compressor units, air conditioning and related systems essential to the operation of naval aircraft.

BOB KENNEDY

Bob Kennedy, son of Mr. and Mrs. George Olisar of Antioch pledged Alpha Omega, a social fraternity during Greek Week at Doane College.

MIDSHIPMAN PETER S. CHMELIR

Midshipman Peter S. Chmelir son of Mr. and Mrs. John J. Chelir of 912 Wildwood Drive, Lake Villa, Illinois has begun his eighth semester of instruction in the Naval Reserve Officers Training Corps program at the University of Illinois here.

He is majoring in Aeronautical Engineering and after graduation will be commissioned an officer in the Navy or Marine Corps.

THOMAS J. NICKERSON

Midshipman Thomas J. Nickerson, son of Mrs. Zelma E. Nickerson of 69 East Grand Avenue, Lake Villa, Illinois has begun his eighth semester of instruction in the Naval Reserve Officers Training Corps program at the University of Illinois here.

He is majoring in Marketing and after graduation will be commissioned an officer in the Navy or Marine Corps.

WILLIAM E. BROWN JR.

U.S. Air Force Sergeant William E. Brown Jr., son of Mr. and Mrs. William E. Brown Sr., 1908 Lehman Blvd., Lake Villa, Illinois, has arrived for duty at Loring AFB, Maine.

Sergeant Brown, an inflight refueling repairman, is assigned to a unit of the Strategic Air Command, America's nuclear deterrent force of long range bombers and intercontinental ballistic missiles. He previously served at U-Tapao Airfield, Thailand.

The sergeant is a 1969 graduate of Round Lake High School. His wife, Connie, is the daughter of Mr. and Mrs. Roy Walters, 220 McCook Avenue, Dennison, Ohio.

AREA STUDENTS ON ILLINOIS STATE DEAN'S LIST

Students cited for academic achievement at Illinois State U for the first semester, ending in late January, were named today.

The "Dean's List" includes all undergraduates who completed 12 semester hours or more with a grade point average of 3.0 (B) or higher for the semester.

The listing includes only courses for which a letter grade was awarded. Work under the pass-fail option is not included.

Students recognized have received a personal letter of commendation from the office of the Dean of the University.

Students from this area on the first semester Dean's List at Illinois State, with those receiving straight-A's underlined are: Joan Harmon, Antioch; Mary Alice Molgard, Antioch; Kristyn A. Murphy, Antioch; Gail Ann Bonner, Lake Villa.

WESTERN ILLINOIS STUDENTS ON RECOGNITION LIST

Two thousand four hundred seven undergraduate students at WIU have been cited for their scholastic achievement during the fall quarter.

Among them are Chares P. Geist, Antioch, cum.; Thomas J. Maki, Lake Villa, cum.; Matthew S. Martin, Lake Villa, both; Steven G. Schmeisser, Lake Villa, qtr.

They are being honored for either compiling a cumulative or quarterly grade-point average of 3.3 or better, or for compiling both, all based on 4.0 equals straight A.

Students must attempt at least 12 quarter hours for a letter grade to be eligible; pass-fail hours are not counted in the compilation as hours attempted.

SEQUOIT SUZIES HAVE VARIED ACTIVITIES

The Sequoit Suzies met at Lynette Hamlin's home on the first Thursday of March.

Rosaline and Cathy Aschbacher were co-hostesses for the evening. Patti Gross and Karen Kleen gave an interesting demonstration on candle making. A talk on nutrition was given by Lynette Hamlin. Leann Buchta informed the girls about her project work in dog care while Cathy Aschbacher talked about babysitting.

Every year the members study a different country, under the 4-H people to people activity. It is certainly one way to help the members widen their horizons through learning about people from other countries,

and this month the girls discussed Austria and viewed slides on the country.

The members were asked to attend an indoor gardening clinic, that will be held Tuesday, April 3 from 7 p.m. at Kenosha Tech College, located in Kenosha, Wisc., 3520 30th Ave. A tour will also be conducted through the greenhouse and other horticulture facilities.

Leann Buchta was selected to attend the 4-H State Week in June, she will represent the Sequoit Suzies this year. Also Susan Hevrdejs and Leann Buchta will participate in the International Dog Show in Chicago April 1. Both members will act as Stewarts during the judging of the dogs.

PUBLIC INVITED TO ROCK DANCE

The Junior Leader Organization of Lake County presents "Jon Blon" as the live music entertainment at their all county rock dance. It will be held this Saturday, March 24, starting at 8 p.m., in the Lake County Farm Bureau Auditorium. It is located on Route 45, 1 block north of Route 120 in front of the fairgrounds.

The public is invited to the dance which will feature the band from Warren Township

which accompanied the "Ides of March" group at their recent concert at Warren High School. "Jon Blon" includes a lead guitar, rhythm guitar, drums, bass, saxophone, flute, and brass. Their repertoire is extensive and includes the latest popular songs.

Donation is \$1.00. Refreshments will be served. JLO is a division of the Lake County Cooperative Extension Service, University of Illinois. For more information call 223-5844.

MUSEUM OF SCIENCE AND INDUSTRY

Through April 8 "Changing Skyline of Chicago" Exhibit

Scale replicas of Chicago's tallest skyscrapers, the John Hancock Center, the Standard Oil Building, and the Sears Tower are featured in this American Iron and Steel Institute exhibit. Special slide presentations show various

construction phases of the steel buildings and tell how the skyscrapers add new dimensions to Chicago architecture and its skyline.

The museum is open from 9:30 p.m. to 4 p.m., Weekdays and Saturdays, and from 10 a.m. to 6 p.m. on Saturdays and holidays. Admission to the museum and parking are free.

MR. NICHOLAS TALKS TO 4-H WARRIORS

Mr. Nicholas, Lake County, University of Illinois Extension Advisor attended the Sequoit Warriors 4-H club's March meeting. An interesting and enlightening talk on landscaping was presented. Mr. Nicholas' excellent background in landscaping gave the boys very good information that they will be able to apply to their project, Ground Improvement. At present the 4-Hers are learning to map the property around their home. Al Nachowicz gave a talk on Fishing, Lance Buchta showed the boys different tools that are used in woodworking. Bill Stanley gave a talk on dogs, a project that Bill is enrolled in this year.

The meeting was hosted by Bill and Jim Stanley. The boys all enjoyed their refreshments while they discussed Share-the-Fun and the possibility of being in the 4-H Baseball league.

SEQUOIT HAPPENINGS

BITS AND PIECES

By: Taffy Engelhardt

The last nine week grading period began on Monday, March 25. Not much longer 'til we can all soak up that summer sun. But, it would be a bit more encouraging and seem more realistic if spring would act like spring. Easter vacation is just around the corner now. I think we're all getting spring fever and are quite ready for a vacation.

The All Stars defeated the Challenger in their first game on Wednesday evening of last week. For those of you who aren't familiar with these groups, the All Stars are athletic girls elected by GAA officers and the Challengers are athletic scrubs who play every year. The scrubs lost in an exciting game with very few turnovers.

The Donkey Basketball Game sponsored by A Club turned out to be a big success. It was held on Thursday and was preceded by a grade school basketball game. The actual donkey game began at approximately 8:00. Everyone seemed to be enjoying themselves immensely and I'm quite sure it would be much more fun to watch than to participate. If you happened to be at the game, you probably know what I mean. There were several stubborn, bucking donkeys that were somewhat of a challenge to us, to say the least. Mr. Wiershem took quite a fall and injured his knee. Other than that, no physical injuries. Three quarters were played by the men faculty against the sports boys. Mr. Sandberg, I believe, was the high scorer for the faculty while Fred Popp did quite well for the boys. I noticed that Mr. DeRousse had quite an adventure with his donkey. The cheerleaders were crowned "The Turd Herd" since they were the privilege ones to shovel the mess made by the donkeys. Mr. Blecke suggested that we pick up the sugar cubes off the floor before the game since it tends to "loosen" up the donkeys. He was right—they certainly didn't need any help! One quarter of the game was played by the women faculty and the cheerleaders. There were a few difficulties that I needn't bore you with the details! I'm sorry to say that I don't know who scored at this time. I was preoccupied and not too worried about who had the ball! Actually, I didn't even touch the ball during the whole quarter, a fact I'm not very proud of. Jo Parpan did quite well. Poor Mrs. Lipski had trouble staying on the donkey and was groaning all day Friday. I'm sure the crowd had a good time—at times they were roaring with laughter. I only wish EVERYONE would have had a chance to actually ride.

Lion's Club holds Athletic Banquet

The Lions Club of Antioch held its 32nd Annual Athletic Banquet on Monday, March 26th in the High School Cafeteria.

The Banquet, held each year, is for the purpose of honoring all the young men who have performed on one or more of the high school athletic teams.

This year the guest speaker was Mr. John Pont, the new

Varsity Football Coach at Northwestern University. Mr. Pont gave a short but rewarding talk to the high school athletes in attendance as well as their fathers and the Lions Club members.

Following the various speakers and introductions of the cheerleaders, color guard and coaching staff, Mr. Walter Shepard, President of the Lions Club, presented the Most Valuable Athlete Award in each of the varsity sports. Pictured (l to r) are Keith Larsen, Most Valuable Wrestler, Tom Pfahler, Most Valuable Football; John Lasco, Most Valuable Golf. Mr. Walter Shepard, President of the Antioch Lions Club, Mr. Warren Polley, Superintendent of ACHS, Mr. John Pont, Guest Speaker and Varsity Football Coach at Northwestern, Mr. Ward Lear, Athletic Director at ACHS, Mike Harland, Most Valuable Cross Country; and Tim Mieux, Most Valuable in both Baseball and Basketball. (Staff Photo)

It's not quite as easy as it looks. Oh yes...the teachers did get the better of us and won the game. They handled the donkeys well. What is that old saying again? It takes one to know one? Only kidding, but A-Club wouldn't appreciate it if I broadcasted the fact that we lost the game, at least without some type of excuse!

Monday night is the Annual Athletic Banquet honoring our athletes and their fathers. The cheerleaders and senior color-guard members are also invited. There'll be more on that next week.

National Business Honor Society is having it's Annual

Installation of Members on April 5 from 3:00 to 3:45. There are many requirements to be in the group and to become a member, all active and probationary members must attend this meeting.

Our best wishes to Mr. Cramer who is ill and in Intensive Care in the hospital. Hope to see him back soon.

Hope Miss Arendt is recovering from her weekend birthday celebration! Mr. Bartosz, too, gained a year over the weekend. There was a private joke about this that can't be repeated! Anyway, Happy Birthday to both of them.

See ya next week...

TOURNEY TIME IN CHAMPAIGN

State Basketball Tourney time is pure madness in Champaign - Urbana, Illinois. Each year at this time the state's greatest basketball fans and teams converge on the Assembly Hall. They join the students at the University of Illinois in the final and determining weekend of high school ball for this school year.

This year's tournament proved to be no different than in the past. The exciting play kept the arena filled to near capacity for all four sessions.

A bright sunny day brought fans from the eight remaining schools in droves. They flocked there to cheer their team on in the hope of inspiring them on to

victory. As the buses arrived the scene was like that of a pilgrimage to Mecca. The fans poured off bubbling with enthusiasm. It was unfortunate that not all could leave that way.

The opening game saw favorite Moline upset by challenger Hirsch of Chicago. The final was 57-50.

From then on it was all upset after upset. Undeclared Lincoln dropped its game to Lockport. Elgin lost to conference rival West Aurora. Perhaps the greatest upset of the day was New Trier's stunning victory over Collinsville.

Astro-Chart

(Week of March 30-April 5)

ARIES (Mar 21-Apr.20): Take advantage of weekend to improve family relationships. A good time to visit elderly relatives. Moon in your sign Monday and Tuesday favors new ventures. You can change job or personal plans now with excellent prospects of success. Best days: Monday, Thursday.

TAURUS (Apr.21-May 20): Important news concerning finances could be forthcoming. Exercise caution in business matters. Get sufficient rest to avoid health problems. In-laws could prove difficult unless you are especially sensitive to the cause of their concern. Best days: Friday, Wednesday.

GEMINI (May 21-June 21): Friendship, social activities dominate interests this week. Watch your grooming. Shopping for a new outfit can boost personal self-esteem, sagging morale. Social invitations stimulate personal life. Best day: Tuesday.

CANCER (June 22-July 21): Plans may be upset by opposition from mate or associates. Patience and understanding can smooth things out. Pay special attention to matters involving joint finances. Signs favorable for success if you are careful. Best days: Saturday, Wednesday.

LEO (July 22-Aug.22): Romance and new friendships in the spotlight. Your enthusiasm leads to broader contacts with someone you've wanted to know better. Watch budget. Best days: Tuesday, Thursday.

VIRGO (Aug.23-Sept 22): An excellent period for advancing all your interests. Solar signs indicate a lucky period for those born under your sign. You can take important steps toward success in matters of romance, career and personal achievement. Best days: Friday, Tuesday.

LIBRA (Sept 23-Oct 22): A surprise gift or evening out can ease tensions with mate or spouse who has been feeling neglected lately. Don't permit business to interfere with family life. A good time to pursue ways of improving income. Best day: Thursday.

SCORPIO (Octo 23-Nov 22): Your wit and sparkling personality generate interest of the opposite sex. Someone born under the sign of Cancer could be especially attractive to you this week. A favorable period for advancing projects at work or school. Best days: Monday, Tuesday.

SAGITTARIUS (Nov. 23-Dec.21): Don't let the blues wear you down. Take some time to yourself this weekend. A shopping trip or evening on the town will boost morale. Change of pace can lead to new interests. Best days: Saturday, Wednesday.

CAPRICORN (Dec. 22-Jan 20): Stick to routine and catch up on matters you've been neglecting. A short trip can be profitable, either for business or pleasure. Caution indicated in financial matters. Wait for a better time to conclude important agreements. Best day: Thursday.

AQUARIUS (Jan 21-Feb 18): Mars in your sign indicates a change due in personal or career matters. An enthusiastic attitude on your part can make it a constructive change. Decisions you may be called on to make require serious reflection. Best days: Friday, Monday.

PISCES (Feb. 19-Mar 20): Take the initiative to start things moving on the romantic scene. Personality is often more interesting than beauty. But watch your grooming to impress potential partner. Best days: Sunday, Wednesday.

Obituaries

MRS. MARY ERNST 88 years old of 918 David Street, Antioch, Illinois passed away on Monday March 26th at Victory Memorial Hospital. She was born September 9, 1884 in Newark, New Jersey, then moved to New York City, before moving to Antioch in November 1952. She married William Ernst on August 7, 1920 in New York City.

Survivors are her husband William, 2 daughters Mrs. Mildred (Harold) Gaston (Antioch, Ill.) and Mrs. Philip (Florence) Nuzzi (Carmondy Hills, Maryland), 4 grandchildren and 2 great grandchildren.

Funeral services will be held at 11:00 a.m. Thursday at the Strang Funeral Home in Antioch. Rev. Philip O. Laurin of St. Stephen Lutheran Church will officiate. Interment will be in Home Oak Cemetery near Antioch. Friends may call after 4:00 p.m. Wednesday at Strang's. Friends desiring may make contributions to the Antioch Rescue Squad.

MR. PETER IACUCCI 80 years old of Lake Shangrila subdivision near Antioch, Ill. passed away on Tues. March 20th at Resurrection Hospital in Chicago. He was born on October 22, 1892 in the Province of Rome, Italy and came to the United States in 1907 to reside in Chicago, then moved to New York, N.Y. for 5 years back to Chicago in 1944, and to Lake Shangrila 9 years ago. He had worked as a laborer drain layer for L. Kline Plumbing Co. in Chicago, and later for Corra Plumbing Co. at rolling Meadows, Illinois. He had married Angela Mizzoni 53 years ago in the Province of Rome.

Survivors are his wife Angela, 2 sons Thomas A (Patricia) Iacucci (Antioch) Augie (Irene) Iacucci (Bristol, Wis.) 2 daughters Mrs. Florence Mosied (Elk Grove Village, Ill) Mrs. Ann (Frank) Pantuso (Chicago) his father Joseph Iacucci (Casamari, Italy) 1 sister Mrs. Caroline (Louis) Belli (Olean, N.Y.) 1 sister and 3 brothers in Italy; 11 grandchildren and 3 great grandchildren.

A funeral mass was held at 10:00 a.m. Friday at St. Benedicts Abbey in North Antioch. Interment was in St. Benedicts cemetery.

MR. IRVEN I. KEPHART 79 years old of 301 Lake Shore Drive - Spring Grove, Ill. passed away on Tuesday March 20th at Rolling Hills Manor Nursing Home at Zion, Ill. He was born July 20, 1893 in Whiting, Indiana and had resided in Kirksville, Missouri - Waukegan, Illinois and Chicago before moving to Spring Grove 4 years ago. He was a projectionist for the city of Chicago on the Censor Board. He married Ruth Brody on March 17, 1950 in Chicago, Illinois and was preceded in death by his first wife Rosemary, 1 sister and 2 step brothers.

Survivors are his wife Ruth, 1 son Dallas Kephart (Lake Villa, Ill.) 1 daughter Miss Rosella Kephart (Lake Wood, Calif.) 4 grandchildren and 4 great grandchildren. Funeral services were held at 1:00 p.m. Thursday at the Strang Funeral Home in Antioch. Rev. Mark Homer of All Saints Lutheran Church of Fox Lake officiated. Interment was in Rand Hill Park Cemetery at Palatine, Ill.

MR. DAN H. LIGHTSEY 70 years old of Rosings Subdivision Antioch, Illinois passed away on Wednesday March 21st at Victory Memorial Hospital. He was born on March 6, 1903 in Daleville, Miss. and resided in Detroit, Michigan, moved to Chicago until entering the U.S. Army during W.W. I, then moved to Antioch in 1937. He is a retired automobile salesman and holds membership in the Ford Motor Car 500 Club. He is a member and past commander of Antioch American Legion Post No. 748 and a member and past commander of Portage Park V.F.W. Post. He is a Member of the 142nd Aero Squadron. He married Hilma Rosing on Nov. 8, 1937 at Valparaso, Indiana.

Survivors are his wife Hilma, 3 daughters Mrs. Karen (Bruce) Galgan (Gurnee, Ill.) Mrs. Julie (David L.) Miller (Antioch) - Mrs. Billie Mae Kindseth (Yucca Flats, Nevada) 1 son Dan H. Lightsey Jr. (Holyoke, Mass.) 1 brother Thomas C. Lightsey (Taylor, Mich.) 1 sister Mrs. Ima Bates (Charleston Heights, S.C.) and 3 grandchildren.

Funeral services were held at 1:30 p.m. Friday at the Strang Funeral Home in Antioch. Rev. Francis Johnson of St. Peters church officiated. Interment was in Hillside Cemetery at Antioch.

MR. FRANK E. DIX 68 years old of Salem Wisconsin passed away on Tues. March 20th at Kenosha Memorial Hospital after a 5 day illness. He was born July 20, 1904 in Genoa City, Wisconsin and had lived most of his life in Salem. He was a retired member of United Steel Workers of America Local Lodge No. 1652 of Kenosha, and had worked in the drop forge department of Snap On Tool Corp. from 1942 to 1969. He was the Salem Dog Warden since his retirement. He married Gladys Romie on Feb. 7, 1925 in Waukegan, Ill. He was preceded in death by 1 brother.

Survivors are his wife Gladys - 4 daughters Mrs. Dorothy (Konrad) Konsitzke (Livonia, Mich) Mrs. Dixie Lee (Leroy) Muto (Twin Lakes, Wis.) 2 sons Billy Dix (Salem Wis.) and Donald Dix (Milwaukee, Wis.) 2 brothers Lloyd and Gordon, 1 sister Mrs. Hilda (Leland) Hegeman, 17 grandchildren and 2 great grandchildren.

Funeral services were held on Thursday at 11:00 a.m. at the Strang Funeral Home in Antioch. Rev. Ray Kotwicki of the Salem Methodist Church officiated. Interment was in Liberty Cemetery.

MRS. MAUD L. JOHNSON 79 years old of Antioch, Illinois passed away on Friday March 23rd at her home on Orchard Lane. She was born January 23, 1894 in Elgin, Illinois and moved to Chicago Illinois then to Antioch in 1931. She is a member of the Antioch Methodist Church, Antioch American Legion Auxiliary of Post No. 748, Lakeside Rebekah Lodge No. 82 and the Antioch Chapter No. 735 Women of the Moose Lodge. She married Anton W. Johnson on October 23, 1920 in Elgin, Illinois.

Survivors are her husband Anton W. Johnson, 1 son William A. Johnson (Antioch) 4 brothers, Theodore, Carl, Elmer and Earl, 3 sisters Bertha Martin, Mrs. Eleanor Krabbe and Mrs. Irene Schram. She was preceded in death by 1 brother Ralph Larson.

Funeral services were held at 1:30 p.m. on Tuesday at the Strang Funeral Home in Antioch. Rev. L.H. Messersmith of the Millburn Congregational Church officiated. Interment was in Home Oak Cemetery near Antioch.

Master BRIAN MATHEW BUCHANAN 4 and a half months old of 1105 Davis Street, Vacaville, California passed away on Saturday March 17th at David Grant Hospital at Travis Air Force Base in Fairfield, California. He was born in the same hospital on November 2, 1972. His mother Mrs. Lynn (Nee Romine) Buchanan passed away on November 2, 1972 at his birth. He is survived by his father Thomas Buchanan of Vacaville, Calif and formerly of Antioch. His grandmother Mrs. Mabel (Neil) Carney of Antioch and several aunts, and uncles in the area. Graveside services were held at 3:00 p.m. on Friday March 23rd at Hillside Cemetery in Antioch. Mr. Edwin W. Olsen of the First Church of the First Church of Christ Scientist in Antioch officiated. Local arrangements were made by the Strang Funeral Home in Antioch.

THE TRUTH THAT HEALS

Christian Science Churches

In 1 Kings 17 in the Bible, we read how Elijah restored the son to his mother, after he was pronounced dead. This is brought out this week in the Lesson-Sermon entitled "Reality" at Christian Science church services Sunday.

Citations from Science and Health with key to the Scriptures by Mary Baker Eddy give her interpretation "Does God send sickness, giving the mother her child for the brief space of a few years and then taking it away by death? Instead of God sending sickness and death, He destroys them, and brings to light immortality. Life is real, and death is the illusion."

Everyone is invited to attend services at the First Church of Christ, Scientist, BEACON HILL, Route 173 and Harden, Antioch, Illinois. They begin at 11 a.m.

"HINDSIGHT'S BETTER THAN FORESIGHT"

by: Rev. Eugene Keusal

In 1967 Antioch celebrated 75 years since the beginning of her existence. In 1992 Antioch will celebrate 100 years of her beginning. People celebrate beginnings.

We celebrate our birthday, the beginning of our independent existence here on earth. We celebrate marriage anniversaries, the beginning of our living with someone we love. We celebrate baptisms and confirmations, the beginnings of new relationships with God.

Celebrations are happy signs of something that is a fact, of something that already exists or has taken place in time. We already exist when we celebrate a birthday. We are already promised to one another when we celebrate a marriage, already living together when we celebrate an anniversary. We already believe in God when we are baptized. The celebration is the sign of what has already taken place. Celebration is a public sign for our fellowman to read and thus share in a happiness that we have come to experience.

Christians celebrate Jesus, the beginning of man being able to live in peace, the beginning of the end of wars; the beginning of trust in your fellow man, the beginning of the end of fear of mankind. Jesus brings peace because he rules over sickness, over sin, over evil spirits, over life and death.

Once you believe, really believe in Jesus, you have no need to fear man, sickness or death itself. You are able to grow and develop into the human being that you were intended to be and into the life of Resurrection God planned from the very beginning.

LEGAL**RESOLUTION**

BE IT RESOLVED by the Board of Education of Antioch Community High School, District Number 117, Lake County, Illinois:

Section 1: That for the purpose of the regular school election to be held on the 14th day of April, 1973, this school district be, and the same is hereby divided into three (3) voting precincts, as set out in Section 3 hereof:

Section 2: The polls of said election shall be opened between the hours of 12:00 o'clock noon and 7:00 o'clock p.m. of the same day, at which time the polls shall be closed:

Section 3: That notice of said election shall be given by the Secretary of this Board of Education by publication in the Antioch News and the Lake Villa Reporter, secular newspapers, having a general circulation in this School District, at least ten (10) days before the date set for such election and that such notice be in substantially the following form:

**NOTICE OF ELECTION
FOR MEMBERS OF THE
BOARD OF EDUCATION OF
SCHOOL DISTRICT 117, LAKE
COUNTY, ILLINOIS**

Notice is hereby given that on Saturday, the 14th day of April, 1973, an election will be held in and for Antioch Community High School, district Number 117, Lake County, Illinois, for the purpose of electing two members of the Board of Education for full three (3) year term.

For the purpose of this election, the following precincts and polling places are hereby established:

Voting Precinct Number 1: Shall consist of all that part of Community High School, District Number 117, Lake County, Illinois, situated within the political townships of Lake County, commonly known as Antioch township and Newport Township, Illinois.

Polling Place: Antioch Community High School Building located in the Village of Antioch Illinois.

Voting Precinct Number 2: Shall consist of all that part of Community High School, district Number 117, Lake County, Illinois, situated within the political township of Lake County, Illinois, commonly known as Lake Villa Township, except that part of said Lake Villa Township which is situated within Sections 25, 35, and 36, Township 46 North, Range 10, East of the Third Principal Meridian and also except that part of said Lake Villa township which is situated within Sections 1 and 2 of Township 45 North, Range 10, East of the Third Principal Meridian, Lake County, Illinois.

Polling Place: Lake Villa Grade School Grand Avenue, located in the Village of Lake Villa, Illinois.

Voting Precinct Number 3: Shall consist of all that part of Community High School, District Number 117, Lake County, Illinois, situated within Sections 25, 35, and 36, Township 46 North, Range 10, East of the Third Principal Meridian and all that part of said District situated within Sections 1 and 2 of Township 45 North, Range 10,

East of the Third Principal Meridian, Lake County, Illinois. Polling Place: B.J. Hooper School Sand Lake Rd and Beck Rd., located in the Village of Lindenhurst, Illinois.

Voters must vote at the polling place designated for the voting precinct within which they reside.

The polls at said election will be opened at twelve o'clock noon and will be closed at seven o'clock p.m. on said day.

BY ORDER OF THE BOARD OF EDUCATION OF ANTIOCH COMMUNITY HIGH SCHOOL, DISTRICT NUMBER 117, Lake County, Illinois.

Dated this 17th day of January, 1973.

Robert M. Lindblad
Secretary, Board of Education
District 117, Lake County, Ill.

William E. Brook
President, Board of Education
District 117, Lake County, Ill.

Section 4: That the following persons be and they are hereby appointed judges of said election:

Precinct No. 1. Mrs. Bernard Gutowski, Mrs. Bernard Osmond, Mrs. Marian Prange. Alternate, Mrs. Milo Bailey

Precinct Number 2: Mrs. Margaret Gliniecke, Mrs. John Matteoni, Mrs. Ellen Peterson. Alternate, Mrs. Wilbur-Madsen.

Precinct Number 3: Mrs. Milton Anderson, Mrs. Howard Bonner, Mrs. Wayne Herman. Alternate: Mrs. Florence Haber

Section 5: That the Secretary be and is hereby directed to provide the necessary ballots for said election and to provide the election supplies and arrange other details necessary for said election.

Section 6: That this resolution be in full force and effect from after its passage and approval.

Passed this 17th day of January, 1973.

AYES: Glen G. Moore, Bette M. Meyer, William E. Brook, Larry D. Fears, Robert M. Lindblad, William E. Petty.

NAYES: None

ABSENT: Dr. Albert A. Bucar.

W.E. Brook
President, Board of Education
District 117, Lake County, Ill.

Filed in my office this 17th day of January, 1973.

Robert M. Lindblad
Secretary, Board of Education
District 117, Lake County, Ill.
March 28, 1973

**FUND RAISING
CAMPAIGN**

Volunteers for the National Hemophilia Foundation will canvas neighborhoods here this week. This will be the first annual door-to-door campaign by the foundation in Lake County.

Over 100,000 Americans have hemophilia, a disorder often called the "bleeder's disease." Treatment is expensive. According to a recent survey, a typical hemophiliac requires \$2,200 each year for blood product costs alone.

Anyone desiring further information may telephone the Lake County Unit of the Midwest Chapter, National Hemophilia Foundation at 244-8222.

LEGAL**NOTICE OF ELECTION**

On the 17th day of April, 1973, there will be a regular election in the Village of Antioch to elect: A Village President (Mayor), a Village Clerk, and three Village Trustees. Each of said offices shall be for a four-year term.

The precincts and polling places for such election shall be:

PRECINCT NO. 1: All that part of the Village lying within the following described boundaries: Territory west of Route 83 (Main Street) within the Village limits as shown on the official Village map on display in the Village Hall.

POLLING PLACE:
VILLAGE HALL, 874 Main Street, Antioch, Illinois

PRECINCT NO. 2: All that part of the Village lying within the following described boundaries: Territory east of Route 83 (Main Street) within the Village limits as shown on the official Village Map on display in the Village Hall.

POLLING PLACE:
SCOUT HOUSE, 741 Main Street, Antioch, Illinois.

Polis shall be open from 6:00 a.m. to 6:00 p.m. on that day. Published by order of the President and Board of Trustees of the Village of Antioch, Illinois.

Raymond P. Toft
Mayor

Marilyn J. Sterbenz
Village Clerk

With a Stern Eye

From my door to the Capitol in Springfield is 223 miles. That makes a long round trip drive, even for one who really likes to drive. And I do. Fortunately I have this little hobby, see, that keeps me alert on the highway. It's eating.

Dan Pierce, one of our State Representatives in the 32nd District, had asked me to come down to testify for a bill he put in at the request of our County Board. The bill would make it possible for a county, which uses electronic voting devices, to draw precinct boundary lines on the basis of 1200 registered voters in each, rather than the present maximum of 800. The bill would save our county alone between \$50,000 and \$100,000 in additional election expenses, some of them one-time expenses such as the purchase of voting machines, booths, etc.—and some of them every-election kinds of expenses such as 5 election judge salaries, polling place rental, trucking charges, etc. etc.

I was happy to go and testify. I had never done it before and it made me feel very important. I started out that Tuesday with my customary breakfast of bacon, toast, juice and coffee. Modest enough. By the time I reached Dwight—nearly 11 a.m.—I needed gas and a ham omelette. The fried potatoes were good too.

Between Dwight and Springfield, I used my handy dandy new cigarette-pack-size dictating machine, steering with one hand, and gesticulating with the other in which I clutched the Norelco, its tape at the ready. I

am speaking next Sunday from a pulpit in the County—another all time first (and likely last)—on the subject of Governmental Ethics 1973. And that is not an easy subject in these times. I have therefore, covered more than one tape with stream-of-consciousness on that topic in the vain hope that when typed up, it will come out sounding like a speech. So far it has not.

I arrived in Springfield and sought out a pre-advertised Howard Johnson's where I ran over my notes for the Elections Committee while devouring a hot fudge sundae (with coffee ice cream), nuts and a cherry. I knew then that I was running amok.

I was punctual at the Capitol—arriving at 1:30 for my 2 p.m. meeting. Neither the Governor nor the Secretary of State was available for a chat, and so I went immediately to the committee hearing room, only to find that the Democrats were caucusing about Governor Walker's amendatory veto of the CTA funds; the committee meeting would be indefinitely delayed, I was told.

There were a number of interested loiterers, like myself: several representatives from the League of Women Voters and a number of specialists from LEAP (the Legal-Elections-All-Precincts who I have come to know well over the past several months). We had a grand visit together, and it was agreed that 'my' bill had very little chance of getting out of this "very political" committee. Most of them were there to speak to various provisions of another bill which would establish a State Electoral Board.

At 3:30 Dan and the other Democrats appeared and the meeting was rapped to order. No one seemed much interested except the spectators. There were several pieces of business before ours—all fascinating. One legislator wanted to do away with the party circle on the ballot, making a straight party vote somewhat difficult. I approved the concept, but the committee did not. Another legislator wished to bring the statutes into agreement with recent court decisions by eliminating the statutory re-

quirement for a loyalty oath by candidates for public office. Again the committee did not agree; I did.

Then came HB 392—us and our precinct maximi (maximums?). Dan spoke about the special needs of counties using electronic voting devices, and introduced me. I told them the same things in more detail and added some statistics about cost. I included a sales pitch on our electronic system—its virtues and its ability to adapt to considerably larger precincts that is possible with either paper ballots or Shoup type machines.

When I finished, someone immediately moved that the bill get a "Not Pass." My heart sank. The roll call however, defeated that motion 12-3. I was delighted. And then I witnessed a parliamentary maneuver I had never seen before. Someone said: "Reverse the roll call." A couple of others mumbled 'Aye' and the next thing I knew the bill was to be reported out of committee as "Do Pass." It was an absolutely stunning upset.

"I wouldn't have given you 10 cents for your chances," whispered one of my LEAP friends as I slithered past and out the door behind Dan who was looking very blase—just as though he expected it turn out that way.

"Driving back tonight?" Dan asked. We both looked at our watches. Five o'clock. I nodded. "Listen, there's a great place to stop for dinner on your way home. The Palomar Supper Club—you must've seen the signs. Steaks and —"

Yes, I had seen the signs. I made a note: 'Palomar Supper Club, Pontiac.' My stomach growled approvingly...

Robert Wilton, village trustee, and candidate for Mayor Citizens Action Party, is shown with Citizens Action Party candidates (l to r) William Seemann, Ronald Cunningham and Michael Haley inspecting the Sequoit Creek area east of Main Street where inadequate tile has caused excessive flooding of private property along the creek. The Citizens Action Party platform includes plans to develop storm sewers in many areas of the village.

CAP Party plans Flood Control Program

The Citizens Action Party has included in their platform a flood control program that will immediately relieve the critical areas within the village.

One area of major concern is the Sequoit Creek area just east of Main Street. The present drainage tile is causing a back-up of water and the flooding of private property along the creek. Other critical areas include excessive water in Oakwood Knolls and along Parkway Avenue.

As the village of Antioch

continues to grow, flooding will become a major problem if action is not taken as soon as possible.

Robert Wilton, village trustee and candidate for Mayor Citizens Action Party said "There are areas in the village that are in need of immediate attention. The present tile is inadequate causing water damage to private property. It is the Citizens Action Party intentions to implement an overall storm water plan to eliminate these flooding problems."

SALEM GIVES WRESTLING AWARDS

The following wrestling awards were announced this week by Coach George Schlagel at Central High School in Salem, Wisconsin. The teams dual meet record was 10-3 this year finishing 2nd in their conference. Last year they finished 5th in the conference with an 8-5 record.

MAJOR AWARDS

SENIORS: Dan Weis, Carson Wilkinson, Dale Kessler, Scott Harshorn, Dave Daniels, Jeff Butler, Jim Butler, Joe Belander, and first major letter winners; Greg Redmer, Al Kaddatz and Jim Hallada Mgrs.

JUNIORS: Rich Meyer, Steve Hendrickson, Kent Goll, Dino Glasman, Doug Daniels, Myron Daniels, Chuck Daniels, Bill Crane and Bruce Andrekus.

SOPHOMORES: Larry Welker, Kirk Wagner, Jeff Thompson, Doug Elfering, Art Belanger.

FRESHMEN: John Watson, Dean Weis, Dave Hendrickson.

First Major Letter Winners.

IRA FAN CLUB TO MEET

JACK BIDDISON

The rapidly expanding IRA Auto Racing Fan Club will meet this Thursday night, March 29th at 7:30 p.m. at the Lake Villa FUN Hall.

Racing movies will be shown and fan club activities will be reviewed.

Those interested and not able to attend should contact Pat Davidson, 630 Cambridge, Mundelein, Ill.

More than 60 race fans attended the first meeting and 100 or more are expected at this meeting.

IRA ANNOUNCES 51 RACE DATE SCHEDULE

The Interstates Racing Association of modified and sportsman stock cars has just released a 51 date race schedule which includes not only the New Kenosha County Speedway in Wilmot, Wisconsin, and the Lake Geneva Raceway for weekly dates, but also dates at the Santa Fe Speedway in Willow Springs, Illinois; The Grund y County Speedway in Morris, Illinois and dates at the Capital Speedway in Oregon, Wisc.

The all new Kenosha County Speedway was to have been completed in 1972 but weather prevented satisfactory progress, but as soon as racing ended on the old track last fall, the valuable clay surface on the old oval was stripped off and moved to the new track, located just 500 yards to the North on the Fairgrounds property. Officials of IRA have worked closely with the Fairgrounds Officials and in addition to a safe, "no-outer rail turn" design speedway, a longer track will greet fans for the first time on Saturday night May 5. The new track measures 1/3 mile as compared to a 1/4 mile distance on the old track.

The longer distance will make it possible for the cars to increase straightaway speeds and use more of the potential

600 HP possible from the full race modified engines.

In addition to the Saturday night schedule at Wilmot, at least four mid-week races will be scheduled and all at distances of 50 laps.

The modifieds open weekly Sunday night racing at the Lake Geneva Raceway on May 20. In the past IRA promoted these races as well as the Wilmot races. However, this year the Sunday night races will be managed by the Lake Geneva Raceway Management who has offered a satisfactory guaranteed purse arrangement to the IRA drivers.

Ira modifieds raced at the Capital Speedway in 1972 in both mixed races with late models as well as full modified races. Their first date there this year will be a mixed type race on Memorial Day afternoon, Monday, May 28th. Their two dates at the Santa Fe Speedway will mark their first time there in two years. They will race on Friday May 11 and Friday August 17 on the half mile track. IRA cars have not raced at the Rockford Speedway since 1969 but have at least one date this year for a Friday, July 13.

The Hales Corners race on Friday July 6 will mark the first modified race there in two years. Prior to that it had been the strongest weekly date for the Illinois and Wisconsin based modifieds. The return is expected to attract more than 60 cars including top talent from at least three modified groups.

The Grund y County Speedway in Morris has set a Monday Afternoon Labor Day Fair date for the modifieds as well as two other dates to be announced.

IRA Champion Johnny Reimer will return to defend his title in a new car owned by Randy Marescalco of Kenosha. Former Champion Whitey Harris will be in the Nielsen modifieds that carried Reimer to victory on the IRA circuit for the last two years.

Roger Oto; Jim Bozeman; Aaron Solsrud; Ron Marish; Tom Anderson; Stan Horton; Denny McKay and Jim Moulis, are just a few of the "IRA Hot Shoes" that will be back to face a large group of rookies.

Driver Ray Dropp of Palatine is IRA President this year. Wilmot race management will again be handled by Ray Toft of Antioch and race commentaries of IRA action will be handled by Jack (At Trackside) Biddison of Northbrook.

In the Sportsman stock car groups, Jim Cmelak; Sid Norton; Duke Norton; Dale Erdman and others will return to support action and speed of the older late model type cars.

SPORTS

Emmons wins third consecutive conference basketball crown

Recently Emmons School clashed with Grass Lake School to determine the Big Six conference championship. Tied with identical 6-2 records after regular season play, the two powers engaged in a struggle at Emmons School to determine the real winner.

Emmons, giving away several inches in height per player, came out in a hustling man-to-man defense. The Grass Lake Braves switched from their usual 2-3 zone to a man-to-man defense.

Both clubs were tight and committed many turnovers in the opening minutes. Then at 4:03 of the first period Tracy Sodman hit on a short base-line jumper to break the scoring ice.

Scott Nohava, Grass Lake's outstanding guard, opened up the Braves attack and hit from outside with a long jumper. Pat Mullins, the Braves big center, banged in two baskets after grabbing several offensive rebounds. However, the Emmons Raiders hung in close by connecting on 7 of 9 charity tosses in the first period.

After closing out the first period in an 11-11 tie, both

teams played sluggishly during the second period. The teams left the court for half-time intermission with the score 16-14 Emmons.

The Raiders came outsmoking in the third period. John Eder broke free for an easy lay-up. Then Jim Christiansen, getting his first start, found the range on a play that found him open under the hoop twice in a row. Eder then hit three free throws and Emmons had hit for nine points with only a single reply from Nohava.

When Jerry Schmidt hit a turn around jumper at the end of the third period and Bill Dubek hit for two goals early in the fourth, the game was out of reach.

The Raider's had three players in double figures with Eder leading the way with 13, Dubek 12 and Christiansen 11. Schmidt hauled down 10 rebounds as did Dubek.

Nohava ended his Grass Lake career with a game high of 18. Mullins added seven points and cleared the boards for 16 rebounds.

Emmons now has been champion of the eighth grade division for three straight years

Rand Abear spent as much time off his donkey as on it, and really displayed some fantastic riding. (Staff Photo)

Malecki	1	0	2	2
Nohava	9	0	2	18
Bailey	1	0	2	2

Ever wonder what a race car looked like up close...or even inside? Area fans will get a chance to examine half-a-dozen late model race cars at the Belvidere Mall this Friday, Saturday and Sunday (March 30, 31 and April 1).

The mall located on Belvidere Road just east of the Speedway will host the three-day exhibit for the second time. A similar show in 1969 attracted thousands of interested persons to the shopping center. All cars will be located indoors.

The hit of the show will likely be Gene Pennington's 1972 Camaro...with the body stripped away to show the frame, roll-cage, engine and other vital parts. The light-weight frame came in kit form from Boyce

Engineering in Chicago.

The oldest car in the show may be the sharpest as Joe Francisco of Island Lake will show his 1955 Chevrolet sportsman. Francisco won the "Best Looking Car Award" in 1972 with his yellow No. 71.

Also joining the exhibit will be the Official Waukegan Speedway Pace Car, a 1973 Dodge Convertible. For the ninth consecutive year the pace car is being furnished by G. L. Miller's Dodge City.

Throughout the show various race drivers, car owners and track officials will be on hand to discuss racing. The track officially opens Saturday night April 7th with practice beginning at 4 p.m. and the first race at 8:00.

WAUKEGAN SPEEDWAY OFFERING GROUP RATES

Got a group, a team or an organization that would like to go the races? Well in 1973 the Waukegan Speedway will be offering special group rates.

The rates vary depending on the age and size of the group, so the best way to plan is to contact the Speedway by writing track President and Manager Gordin Sill, Waukegan Speedway, 3305 Washington Street, Waukegan, Illinois 60085.

In the past scout troops and little league teams have been among the most popular groups visiting the track. Once the group is okayed and a date is set, the group just arrives together at the ticket gates, announces what group they are and buys whatever tickets apply in their case.

If the group arrives early enough, they can all sit together and the track announcer will be happy to greet them.

The Speedway starts its 1973 season on Saturday night April

7th with late model sportsman races, hobby stock races and late model super stock practice. An expected entry field of 36 sportsman cars will be trimmed to just 16 by feature time with that event being contested at 25-laps.

Late model super stock competition will return to the Waukegan Speedway on a Sunday night schedule beginning May 6th. Their feature races will be 30-laps in length around the one-quarter mile paved oval.

Time trials start at 7:00 p.m. with the first race at 8 o'clock. On most nights, the races are over by 10:30, in fact, the average "go-home" time was 10:20 in 1972.

The rates vary depending on the age and size of the group, so the best way to plan is to contact the Speedway by writing track President and Manager Gordin Sill, Waukegan Speedway, 3305 Washington Street, Waukegan, Illinois 60085

OPENING APRIL 7TH

The Waukegan Speedway will open its stock car season Saturday night April 7th with an outstanding field of late model sportsman cars forecast.

The driver's roster includes 77 drivers, in the late model class with about 1/3 of that total expected to race in Saturday night sportsman division races only, another 1/3 racing in the super stock class on Sunday nights only and the balance expected to make the necessary changes to compete on both nights.

A field of 36 sportsman are anticipated for the opener with

hobby stock races and super stock practice also on the same card. Sixteen cars will start the 25-lap feature. Regular super stock events will begin Sunday night May 6th.

Lake County entries out-number out-of-county drivers by nearly a two-to-one margin and GM cars hold a similar advantage over all other makes going into the opening date. The Chevelle is the most popular entry among nearly a dozen different makes.

Practice will start at 4:00 p.m. April 7 with the first race slated for 8:00.

REMODELING

Mr. FRIENDLY'S
complete home
improvement service
can add value as
well as convenience
to your home.

**Make your dreams
come true!**

Instead of just dreaming of that new den or additional bedroom, why not make it a reality? What about the recreation room the kids want in the basement? You'll add value AND convenience to your home when you modernize.

See Mr. Friendly, your home service expert, for whatever alteration or additions you need. He'll help you plan and build, while showing you the best values in building materials to give you the most for your money. He'll also help you plan your do-it-yourself projects. Remember... for Quality and Service, see us... the Friendly One!

Faculty member Joan O'Connell overjumps her donkey during the basketball game on Thursday in which the faculty came out on top. (Staff Photo)

DONKEY BASKETBALL SUCCESS

Sixteen hundred spectators crowded the Antioch Gym on Thursday night to watch a most unusual basketball game. The game was played on real live donkeys. Players were allowed to dismount in order to retrieve the ball, but the donkeys were not often as willing to go after a stray ball as the player. All shots had to be made from on top of the donkey, which is quite a trick to hang on to the donkey with one hand while shooting with the other.

During the first half the "A" club lettermen challenged the faculty. The highlight of the first half of the game was wrestling coach Ted DeRousse's fruitless attempts to mount

his donkey; spending most of the first quarter walking his donkey and jumping. He was finally given some assistance and didn't do badly after he got over the first hurdle. During halftime, it was discovered that his donkey was the trick donkey, Jack Bim.

Students Brandy Abear and Steve Vasquez put on a lively show as their donkeys were really spirited, to put it mildly.

Faculty member, Ken Wierschem took a nasty spill during the first quarter. An X-Ray proved no broken bones and today Ken has a badly bruised knee to remind him of Thursday nights game.

During the second half the women took to the floor as the

students took on the faculty. They did a very creditable job and were able to score during the first few minutes of the half. Taffy Englehardt spent most of the quarter chasing her runaway donkey. When she finally caught up with it she was afraid to make the big mount. After some encouragement she decided to give it a try and as she jumped the donkey jumped and all nerve was lost. Some more strength then appeared in the way of a strong boast and she was on her way, unfortunately the buzzer sounded and the quarter had ended.

When the final buzzer sounded the faculty was ahead and the earth shaking score was 18-14.

GOOD SHOW FOR ANTIOCH SWIMMERS

Members of the Antioch Summer Swim Team made a good showing in the State Swimming Tournament held in Springfield last weekend.

In the 18 and under age group, Dave and Ed Berry, Mike Muro and former Antioch member Dean Waite placed 1st in the 200 yard medley relay.

Ed Berry also placed third in the 100 yard breast stroke. Mike Muro place 4th in the 100 yard fly and 9th in the 200 yard individual medley.

Dave Berry placed 4th in the 100 yard back stroke, and 7th in the 400 yard free medley.

In the eight and under age group Craig White placed 9th in the 25 yard breast stroke.

Husband and wife team Marty and Roy Berry, who coach the boys, feel the team made an excellent showing for Antioch.

LITTLE LEAGUE SIGN UP

Registration for boys interested in playing baseball in the Antioch Minor, Little and Babe Ruth Leagues will be held on three Saturdays, April 7, 14, and 21, at the Scout house on North Main Street. Registration will be from 12 til 4 p.m. on April 7, and 10 a.m. to 4 p.m. April 14 and 21.

Fees will be \$6 for 1 boy, \$11 for two boys and \$15 for 3 or more boys per family in minor and little leagues. Babe Ruth fees will be \$8 for 1 boy \$15 for 2 or more boys per family.

Due to limited facilities, registration will be restricted to boys attending Antioch, Channel Lake, Emmons, Grass Lake, Oakland, and St. Peters

schools. Boys living outside these school districts may register and will be put on a waiting list.

In the event openings do occur, boys from these lists will be accepted to fill out team rosters.

Boys must be 8 years old and not yet 13 before August 1, 1973 to be eligible for Minor and Little League. Babe Ruth league requires boys to be 13 and not yet 16 before August 1, 1973.

If there are any questions on any of the above, please feel free to call the League President, Dick Kessler at 395-0222 or League Secretary, Bernie Gutowski at 395-0864.

HOCKEY PLAYOFFS SATURDAY AND SUNDAY

Last Friday in a play-off game to decide first place in the NHL division of the Camp Hastings YMCA Iceless Hockey Program, the Red Wings led by Tim Koesser scoring three goals, outlasted the Cougars in a very exciting game at Camp Hastings. Leading scorer for the Cougars was Harland Hacker with five goals, but with the aggressive goal tending of David Barker, the Cougars

were unable to score the tying or winning goal in the final period.

The playoff finals for the YMCA Hastings floor hockey will take place Saturday March 31 and Sunday April 1. Games Saturday will pit the Canadiens and Cougars at 2:00 p.m.; the Red Wings and Kings at 3:00 p.m. Sundays finals will involve the winners of Saturdays games and will decide the 1973 Iceless

Hockey Champion. The game begins at 2:00 p.m. and all games will be played at Camp Hastings.

Trophies will be awarded to the winning teams at an Awards Presentation Night, Friday April 6 at 7:30 p.m. at the Lake Villa Intermediate School. There is a \$1.00 donation per adult, and coffee and cake will be served. All Iceless hockey players will receive awards.

IRA ROADSTER SUPER MODIFIED AT ROCKFORD CAR SHOW

Among the more than \$1 million worth of cars to be displayed on Saturday and Sunday, March 31 and April 1, in the ninth annual competition Auto show at Rockford, will be an all new Interstates Racing Association super modified featuring a low profile roadster design. The car has been built this past winter by Ron Marish

of Milwaukee who expects to shake up the champions of the IRA Circuit.

The auto show, held in the Illinois National Guard Armory on North Main Street, (Ill. Highway 2), in Rockford starts at 11 a.m. Saturday and continues through 10:00 p.m. with Sunday hours from 11:00 a.m. to 9:00 p.m. on April 1.
